ABOUT INNOVATIVE COLLEGE OF PHARMACY

The Innovative College of Pharmacy was founded in 2005, with Dr. K.R. Sharma, a well-known educationist in academic circles, serving as its chairman. Dedicated to pharmaceutical education and research, Innovative College of Pharmacy is a well-known establishment. The college, which was founded with the goal of delivering high-quality education, offers undergraduate (D.Pharm), graduate (B.Pharm), and postgraduate (M.Pharm) programs that priorities thorough knowledge and useful skills. The campus is well-appointed with cutting-edge labs, a contemporary library, and knowledgeable instructors with a wealth of knowledge in the pharmaceutical sciences.

The institution prepares students for jobs in clinical pharmacy, pharmaceutical research, and industry by emphasizing a combination of academic learning and hands-on experience. Additionally, it encourages students to work on creative projects and conduct scientific investigations by creating an environment that is focused on research. Because of the college's solid industry ties, top pharmaceutical companies can provide internships and job placements for students.

Innovative College of Pharmacy is dedicated to creating a fostering academic atmosphere for the upcoming generation of researchers and pharmacists. As a reputable college in the field of pharmacy education, it strives to further pharmaceutical sciences and healthcare via high-quality instruction and research projects.

VISION

The vision of Innovative College of Pharmacy is to become a leading institution in the field of pharmaceutical education and research. It aims to produce graduates who are competent and skilled in their profession and are committed to serving the healthcare industry and the society.

MISSION

- It aims to produce competent and knowledgeable professionals who can contribute to the development of the pharmaceutical industry and improve the health and well-being of the community.
- The college is committed to creating an environment that fosters research and innovation, encourages continuous learning, and promotes ethical and professional behaviour among its students and faculty.
- It strives to maintain high standards of education and excellence in all its activities, including teaching, research, and community service.

FROM THE DESK OF CHAIRMAN

Greetings from Innovative College of Pharmacy in Greater Noida. Our university is dedicated to giving students in the pharmaceutical sciences an outstanding educational experience. In order to support our students' professional development, we think it is important to provide them with a solid foundation in both theoretical and practical abilities.

Our aim is to generate capable, morally-driven chemists who can make significant contributions to the pharmaceutical and healthcare sectors. Our main goal is to establish an atmosphere that supports education, creativity, and research. With a group of committed academics and cutting-edge resources, we hope to promote academic success and a love of lifelong learning.

To prepare them for the difficulties of global healthcare, we urge our students to participate in research projects, internships, and community service. Developing the next generation of pharmacy and healthcare leaders is our mission at Innovative College of Pharmacy. We would like to have you join us in this pursuit of excellence.

FROM THE DESK OF PRINCIPAL

To start with, I would like to congratulate and welcome the aspiring pharmacists at Innovative College of Pharmacy on their entry into the field of successful careers. Modern amenities at Innovative College of Pharmacy include a computer lab with the newest computer configurations and Internet access, a library of exceptional quality, a youthful, vibrant, and deserving faculty, and well-furnished, instrument-filled laboratories.

The institute's guiding principle is to reconceptualise education as a means of establishing a new system capable of producing a new generation of professionals. The academic and extracurricular offerings at college have advanced to unprecedented levels in this brief period of time.

The institute has the greatest facilities in place to help students become successful professionals. The institute trains its students to translate creative concepts into realistic, workable models in order to satisfy the pharmaceutical industry's increasing demands. Our goal is to create the perfect pharmacy professional who can meet the demands of society and the demanding field of pharmacy, in addition to producing pharmacy graduates.

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

The campus is spread over an area of 5.75 acres. It is situated in a calm, peaceful and pollution-free environment best suited to academic pursuits located next to India Expo Mart, Greater Noida. The Innovative Welfare and Educational Society has constructed a 4-storeyed building in addition to a basement.

The campus is equipped with modern labs, classrooms, seminar hall, library, student centre for co-curricular activities, computer lab, academic and administrative blocks and other amenities for exclusive and widespread provision for indoor and outdoor games.

Classrooms :- All the classrooms are spaciouly designed and are well furnished with necessary technical teaching aids like OHP, Slide projectors, LCD Projector, Laptop and power supply.

Seminar Hall :- The Institute possesses a Seminar Hall with seating capacity of 500 people. The Hall plays host to guest lectures, seminars and various presentations.

Library:- The College library has a rich collection of printed as well as electronic resources which include -

- Books including for particular topics or subjects as well as Reference books like dictionaries, encyclopedias, e-books, etc.
- National and International Journals & Magazines
- Database and Audiovisual material

Computer Facilities :- Keeping in view the increased emphasis on technology, the Innovative College has developed computer lab with broad - band connection. The lab is equipped with sufficient number of computers with the latest configuration and softwares. In addition, we also have our own Internet facility through local ISP. Wi-Fi facility is also available.

Plot No. - 6, Knowledge Park - 2, Greater Noida, U. P. - 201308. (Near Knowledge Park - 2 Metro Station)

Hostel :- The hostel rooms for students have provision of 24 hour power back up with wireless internet connectivity and provide a professional ambience for work. There is centrally located dining hall; the food prepared is a mixture of Indian and continental. The hostel is managed by student's body, with the help of an advisory body of the College. Besides these facilities, there is a T.V. lounge, a gymnasium and facilities for Indoor games.

Sports facilities :- A centrally located indoor stadium is being developed to provide facilities for all indoor games, such as table tennis, badminton, carom and chess. The campus has also been facilitated with a widespread outdoor area for cricket, volleyball and football.

Canteen :- The College also possesses a neat and clean canteen in which all types of food is being served.

Museum :- The College possesses a museum exhibiting more than 100 crude drugs, herbarium sheets, botanical specimens & charts of drugs & plants, colored slides of medicinal plants, patent medicines & containers of common usage in medicines.

PROGRAMS OFFERED

MASTER OF PHARMACY (Pharmaceutics, No. of Seats :- 15 per year)

Approved by :- AICTE, Ministry of HRD, Govt. of India & U.P Govt.

Affiliating University :- Dr. APJ Abdul Kalam Technical University, Lucknow

Course Structure: The M. Pharm Course has been specially designed by Dr. APJAKTU. M. Pharm pharmaceutical degree focuses on drug discovery, research, development and manufacturing. The course has been divided into four semesters, which include theory & practicals besides the project work. The Students conduct research and complete lab-based courses in on-campus facilities that have the same innovative technology and equipment used in the pharmaceutical and biotechnology industry. Eligibility Criteria: - 60% marks in B PHARM from any recognized university as per university norms.

BACHELOR OF PHARMACY (No. of Seats: - 60 per year)

Recognised by :- AICTE, Ministry of HRD, Govt. of India & U.P Govt., Approved by PCI, New Delhi

Affiliating University :- Dr. APJ Abdul Kalam Technical University, Lucknow.

Course Structure :- The B.Pharm Course has been specially designed by Dr. APJAKTU for those who are eager to acquire professional skill in the field of pharmaceutical education. This definitely provides employment and business opportunities anywhere across the globe. The course has been divided into eight semesters, which include theory & practicals besides project work and industrial exposure.

Eligibility Criteria :- 10+2 with 50% in PCB/PCM or Diploma in Pharmacy with minimum 50% marks from any recognized Technical Board. Lateral Entry :- D.Pharm with 60%.

Plot No. - 6, Knowledge Park - 2, Greater Noida, U. P. - 201308. (Near Knowledge Park - 2 Metro Station)

PHARMACY DEPARTMENTS

DEPARTMENT OF PHARMACOLOGY

The pharmacology department lays strong emphasis on research while imparting education in pharmacology, toxicology & other related subjects. A primary objective of Pharmacology is to investigate the fundamental aspects of molecular bio-regulatory mechanism of the cell and understand how drugs act in order to develop new drugs for treatment of diseases. Toxicology examines toxicity and adverse effects of developed drugs, mechanisms of chemical agents and how they produce mutagenicity, carcinogenicity, teratogenicity and neurological disorders.

The department has two separate laboratories :-

Anatomy lab I :- It is established to understand the Human Anatomy, Physiology and Pathology of diseased state with the help of charts, models including human skeleton and various types of apparatus.

Pharmacology lab II :- It consists of equipment to investigate the activity of various drug samples, such as Digital Balance, Rota Rod, Electro-convulsimeter, Plethysmograph, Analgesimeter, Histamine chamber and Actophotometer.

DEPARTMENT OF PHARMACOGNOSY

"Pharmacognosy is the science that deals with medicine derived from natural sources"

Pharmacognosy is a specific discipline that deals with the rapid developments in the knowledge and utilization of medicinal substances of biological origin (plant, microorganism and animal products) used for human and veterinary purposes. This subject provides information about the principles and procedures used in the identification, authentication, extraction and isolation of active constituents by chromatography techniques, purification, and development of herbal formulations and assay methods for the isolated constituents. Focus is also put on pharmacopoeial regulations, ICH, EU guidelines and principles of good manufacturing practices.

The Pharmacognosy lab is equipped with Projection microscope, Soxhlet apparatus, Clevenger's apparatus, Stage micro-meter and oculometers, Hot air oven, together with many crude drugs, charts, and models.

Herbal Garden

The College has established a Herbal Garden to teach students about the evaluation and extraction of drugs obtained from plant source. This includes a variety of plants like *Datura*, *Calotropis*, *Azadirachta indica*, *Cannabis sativa* and *Withania somnifera*.

DEPARTMENT OF PHARMACEUTICAL CHEMISTRY

The department of pharmaceutical chemistry is one of the central important branches of the institute. It is equipped with state of the art facilities to undertake academics in Bachelor of Pharmacy course. In the frontier area of phytochemical research, the focus will be laid on isolation, characterization and evaluation of biological activities both by in-vitro and in-vivo models.

Analysis of drugs and pharmaceutical chemicals forms the backbone of research and development in pharmaceutical industry. The department focuses on training the graduate students on how to use the modern and newer instrumental analytical techniques such as HPLC, UV-Visible Spectroscopy, Fluorimetry and Flame photometry.

Special emphasis is laid on the implementation of good laboratory practices and analytical skills. The department is actively involved in developing new analytical methods and their validation, characterization and quantitative estimation of possible impurities in various dosage forms.

The department has a Pharmaceutical Chemistry Lab I (Inorganic / Organic Chemistry Lab), Pharmaceutical Chemistry Lab II (Pharmaceutical Analysis Lab), Pharmaceutical Chemistry Lab III (Medicinal Chemistry Lab) and Pharmaceutical Chemistry Lab IV (Central Instrumentation Facility).

The pharmacy department has also successfully completed projects sponsored by ALL INDIA COUNCIL OF TECHNICAL EDUCATION.

DEPARTMENT OF PHARMACEUTICS

Pharmaceutics is concerned with the strategies by which biologically active compounds are presented to the body so as to elicit an optimal response. It includes the design, preparation and testing of drug delivery systems. The department has a Machine Room, Pharmaceutics Laboratory I (GP/ DP Labs), Pharmaceutics Laboratory II (Unit Operation Lab), Pharmaceutics Laboratory III (Microbiology Lab).

The machine room is well equipped with latest machines generally encountered in Pharmaceutical Industry like Coating Pan, Hand Operated Single Punch Machine, Dissolution Rate Test Apparatus, Disintegration Test Apparatus, Refrigerated Centrifuge, Deep Freezer, Mechanical and Sieve Shaker, Filter Press, Venturimeter and Orifice Meter, Friability Test Apparatus, Granules Drier, Capsule Filling Machine and Mechanical Stirrer.

Pharmaceutical Microbiology Laboratory

This Aseptic Room of Microbiology Lab has facilities Like BOD Incubators, Laminar Air Flow, UV Cabinet, Deep Freezer, Digital Oven, Incubators, Incubator Cum Shakers, Bacterial Colony Counter and Autoclaves.

Result At a Glance

- Passed with Distinction 20%
- Passed with first division 75.2%
- Passed with second division 4.8%

Training and Placement Cell

The Placement Cell constantly keeps in touch with the Industry to ascertain the technology advancement and plans well in advance for bridging any gap in addition to what students learn in their curriculum. The success of the Placement Cell is evident from our alumni occupying positions at the best opted for companies in the country.

The students are provided the platform for developing interpersonal, technical, and business skills, so that they can face the global challenges of today and the future.

Career in Pharmacy

- Production & Manufacturing
- Research & Development
- Quality Control/Quality Assurance
- Marketing
- Hospital Pharmacy
- Forensic Pharmacy
- Clinical trials
- Community Pharmacy
- Academic & Research
- Regulatory affairs/IPR
- Opportunity to go Abroad
- Pharmacovigilance
- Medical writing

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

ADMISSION PROCEDURE

1. Admission

- 1.1. Admission to the B. Pharm. First semester in 1st year and lateral admission in B. Pharm. Second Year in 3rd semester (for diploma holder candidates only) will be made as per the rules prescribed by the Academic Council of the Dr. APJAKTU Technical University, Lucknow
- 1.2. Admission on account of migration of a candidate from any other University to UP Technical University is not permitted.

2. Eligibility for Admissions:

2.1. Admission through Entrance Examination:

- (i) Candidates who have passed 10+2 Intermediate from U.P. Board or from other Boards with Physics and Chemistry as compulsory subject along with one of the following subjects.

Subjects :- Mathematics/Bio-Technology/Computer Science/Biology are eligible for Admission to 1st Year of B. Pharmacy Course offered by private colleges/Institutions of U.P.

- (ii) Candidates who have passed 2 year Diploma (with minimum 60% marks) from institutions recognized by the U.P. Board of Technical Education in Pharmacy are only eligible for admission to Second year of B.Pharma.

2.2. Direct admission on vacant seats at Institution/College level:

The eligibility criteria for direct admission on seats remaining vacant in first year after entrance examination counseling shall be such as may be notified from time to time

Ragging is Banned in the College and Hostel Premises

According to the ruling of the Hon'ble Supreme Court of India, "In case the applicant for the admission is found to have indulged in ragging in the past or if it is noticed later that he has indulged in ragging, Admission may be refused or he/she shall be expelled from the education institute."

Any student of Innovative College of Pharmacy found involved in ragging inside or outside the college/hostel shall be punished heavily with a fine up to Rs.50,000/- and may also be expelled from the college with immediate effect without any notice.

NEWSLETTER

IN SIGHT {Year:2019-20} Issue 7

ORIENTATION PROGRAM (22nd AUGUST, 2019)

One of the most awaiting events of Innovative College of Pharmacy is Orientation Program which is organized in college for newly admitted D. Pharm, B. Pharm and M.Pharm students. Student orientation programs are chiefly aimed at familiarizing the students in a new campus environment, faculty and infrastructure. Students get a chance to learn how things work at their new campus and also get a chance to meet other newly joined students. A variety of events were held to orient and welcome new students during this period.

PLANTATION DAY (14th AUGUST, 2019)

Plantation day is an annual tree planting movement in India, which began in 1950. It was started by K. M Munshi. Our college organized plantation day on 14th Aug, 2019 in college campus. It was coordinated by Mr.Rajnish Tiwari, and Ms. Khushboo Gupta. The importance of tree plantation is not new to us and trees have played a major role in the evolution of life as we know it today. Many individuals, corporate and social organizations conduct tree plantation across the globe to help to maintain a balance in the ecosystem which gets skewed due to indiscriminate deforestation and natural disasters. The students participated in the tree plantation drive with great zeal and enthusiasm and thus made it successful. They pledged to spread the awareness for growing more trees.

TEACHER'S DAY (5th SEPTEMBER, 2019)

Teacher's day is a special day dedicated to all teachers. It is celebrated every year on 5th September to honor the teachers and appreciate their special contribution towards education. Students were indulged in activities of celebration, thanking and remembering the teachers.

Other Courses Offered
B.A. LL.B (5 Years)
LL.B (3 Years)

INDEPENDENCE DAY (15th AUGUST, 2019)

Independence Day is an Annual National festival to celebrate National Independence Day and to commemorate the people who have given their life for our country. Independence Day holds a lot of significance for us. India as on this day achieved freedom from the hands of the British. This year too on 15th August we celebrated our 73rd Independence Day. In our college the flag hoisting ceremony was done by Dr K.R.Sharma Honorable Chairman, Dr Titiksha Sharma Director. A number of events were conducted by the students. They actively participated in Speech, Rangoli, drawing competition and many other cultural events.

GUEST LECTURE (19TH SEPTEMBER, 2019)

Innovative College of Pharmacy organized a guest lecture on the topic "Role of Antibiotics in ENT Practice", Co-ordinated by Dr. Amarjeet Singh. The Program was inaugurated by Honorable Chairman Dr. K.R.Sharma. Director Dr Titiksha Sharma. The Chief Guest Dr. Sunil Thakur explained about antibiotics, classes of antibiotic, and side effect of use of antibiotic in ENT practices. Another guest lecture was also organized same day on the topic "Role of Biotechnology in Respect of Drug Yielding Plants". The Chief Guest Dr. V. K. Gautam explained about the role of Herbal Plants and related drugs.

PHARMACIST DAY (25TH SEPTEMBER, 2019)

Pharmacist day implores us to take a moment to think of all the people who work as pharmacist. To appreciate their work our college organizes the program every year. All students take part enthusiastically in this event. The events included awareness camp in the nearby villages. The skit and quiz competitions were also conducted.

SWACHH BHARAT ABHIYAN (26TH SEPTEMBER, 2019)

Swachh Bharat Abhiyan is a campaign by the Government of India to clean the streets, road and infrastructure of the country. We took an initiative to encourage the students to keep our city Clean and Green. All faculty members and students enthusiastically took part in the activity, with great vigor and cleaned their surroundings.

DIWALI FEST (24TH OCTOBER, 2019)

Diwali is the biggest, brightest and most popular event in the Indian calendar. The word Diwali means "row of lighted lamps". Innovative College of Pharmacy celebrated Diwali Fest with great enthusiasm with students. Handmade greeting cards were displayed, Diwali Games and activities were conducted.
