ABOUT INNOVATIVE COLLEGE OF PHARMACY

The Innovative College of Pharmacy was founded in 2005, with Dr. K.R. Sharma, a well-known educationist in academic circles, serving as its chairman. Dedicated to pharmaceutical education and research, Innovative College of Pharmacy is a well-known establishment. The college, which was founded with the goal of delivering high-quality education, offers undergraduate (D.Pharm), graduate (B.Pharm), and postgraduate (M.Pharm) programs that priorities thorough knowledge and useful skills. The campus is well-appointed with cutting-edge labs, a contemporary library, and knowledgeable instructors with a wealth of knowledge in the pharmaceutical sciences.

The institution prepares students for jobs in clinical pharmacy, pharmaceutical research, and industry by emphasizing a combination of academic learning and hands-on experience. Additionally, it encourages students to work on creative projects and conduct scientific investigations by creating an environment that is focused on research. Because of the college's solid industry ties, top pharmaceutical companies can provide internships and job placements for students.

Innovative College of Pharmacy is dedicated to creating a fostering academic atmosphere for the upcoming generation of researchers and pharmacists. As a reputable college in the field of pharmacy education, it strives to further pharmaceutical sciences and healthcare via high-quality instruction and research projects.

VISION

The vision of Innovative College of Pharmacy is to become a leading institution in the field of pharmaceutical education and research. It aims to produce graduates who are competent and skilled in their profession and are committed to serving the healthcare industry and the society.

MISSION

- It aims to produce competent and knowledgeable professionals who can contribute to the development of the pharmaceutical industry and improve the health and well-being of the community.
- The college is committed to creating an environment that fosters research and innovation, encourages continuous learning, and promotes ethical and professional behaviour among its students and faculty.
- It strives to maintain high standards of education and excellence in all its activities, including teaching, research, and community service.

FROM THE DESK OF CHAIRMAN

Greetings from Innovative College of Pharmacy in Greater Noida. Our university is dedicated to giving students in the pharmaceutical sciences an outstanding educational experience. In order to support our students' professional development, we think it is important to provide them with a solid foundation in both theoretical and practical abilities.

Our aim is to generate capable, morally-driven chemists who can make significant contributions to the pharmaceutical and healthcare sectors. Our main goal is to establish an atmosphere that supports education, creativity, and research. With a group of committed academics and cutting-edge resources, we hope to promote academic success and a love of lifelong learning.

To prepare them for the difficulties of global healthcare, we urge our students to participate in research projects, internships, and community service. Developing the next generation of pharmacy and healthcare leaders is our mission at Innovative College of Pharmacy. We would like to have you join us in this pursuit of excellence.

FROM THE DESK OF PRINCIPAL

Welcome to Innovative College of Pharmacy, Greater Noida. Our institution is dedicated to imparting quality education in pharmaceutical sciences, aiming to create skilled professionals ready to contribute to the healthcare sector. At Innovative College of Pharmacy, we prioritize a holistic approach to learning, combining rigorous academic course work with practical training and research opportunities.

Under the guidance of our experienced faculty, students are encouraged to explore new frontiers in pharmaceutical sciences, fostering innovation and critical thinking. Our state-of-the-art laboratories and modern facilities provide an ideal environment for hands-on learning and experimentation.

We are committed to instilling ethical values and a sense of social responsibility in our students, preparing them to meet the dynamic challenges of the pharmaceutical industry. Join us in our mission to cultivate knowledgeable, compassionate, and forward-thinking pharmacists who will lead the future of healthcare.

INNOVATIVE COLLEGE OF PHARMACY

Affiliated to Dr. APJAKTU and BTEUP - Lucknow, Approved by PCI, New Delhi

Name –Dr. J.Joanofarc

Designation – Principal

Qualification - M.Pharm and Ph.D. (Pharmacognosy)

Teaching Exp. –17 Years

Industrial Exp. – 05 Years

Dr. J.Joanofarc has done B.Pharm from Madurai Medical College, affiliated to Madurai, Kamaraj University, Madurai, Tamil Nadu in 1987. She has done Masters in Pharmacy (Pharmacognosy) from C.L. Baid Mehtha College of Pharmacy in 1995 and Ph.D. in Pharmacy (Pharmacognosy) from Chennai Medical College, affiliated to The Dr. M. G. R. Medical University, Chennai, Tamil Nadu.

She has vast experience in the field of Education, Research and Industry. She was Awarded certificates of merits for having produced 100% result several times in Vel's College of Pharmacy Chennai. She has guided B.Pharm, M.Pharm and Ph.D. students to her credit. She is the Examiner from the Dr. M.G.R. Medical University for Ph.D. thesis evaluation and also as an examiner for Ph.D. public viva-voce.

She has published Research papers in National and International Journals. She is the life member of IPGA and has actively participated and conducted seminars, conferences and workshops.

In the field of Industry, she has vast experience in Quality control and also in the production of medicines. Endorsed as approval Analytical Chemist by the office of the state Drug controller, Tamil Nadu, 1989.

Apart from the field of Pharmacy, she has completed Internship Course in Counselling, and can provide each individual all the guidance necessary to face, deal with and Endeavour every problem, test and trail of life, Conducted workshops in schools and colleges for training teachers. Counsellor the school children, college students, teachers and parents. She is very good at sports, in athletic events, and also a good Basket ball player and won several prizes and awards.

Name - Mrs. Chanda Ray

Designation - Associate Professor

Qualification - M.Pharm. (Pharmaceutics)

Teaching Exp. – 8 Years

Mrs. Chanda Ray has completed her B.Pharm from UPTU, Lucknow, (U.P.) and M.Pharm from MTU, Noida,(U.P.). She has attended 2 National Conferences and 4 National Seminars. Field of interest is to develop and apply innovative teaching approaches and materials to enable learning of the students and continuous exposure to new ideas of learning.

Name - Mrs. Sangeeta Singh

Designation - Assistant Professor

Qualification - M. Pharm. (Pharmaceutical Chemistry)

Teaching Exp. – 9 Years

Mrs. Sangeeta Singh is presently working as Assistant Professor. She has done her B.Pharmacy from Guru Ghasi Das University Bilaspur (C.G) and Masters in Pharmaceutical Chemistry from B.P.U.T, Rourkela, Odisha. Several International and National Publications have been credited in her name. She remains actively engaged in increasing industrial and academic interactions.

Name - Mrs. Sarika Nigam

Designation -Assistant Professor

Qualification - M. Pharm (Pharmacognosy)

Teaching Exp. – 7 Years

Mrs. Sarika Nigam has completed his B.Pharm from Babu Banarsi Das Institute Of Technology and Management, Lucknow and M.Pharm from Rajiv Gandhi Prodyogiki Vishwavidyalaya, Bhopal. She is a passionate teacher with keen interest in teaching and learning process and zeal to make teaching interesting and informative.

Designation - Assistant Professor

Qualification - M.Pharm (Pharmaceutical Chemistry)

Teaching Exp. - 6 Years

She is presently working as Assistant Professor in Innovative College of Pharmacy, Gr. Noida. She has done her Graduation and Post-Graduation from Gautam Buddha Technical University, Lucknow (U.P.). She is interested in extraction and isolation of Phytoconstituents, separation of Phytoconstituents through various chromatographic techniques, & standardization of herbal drugs.

Name - Mr. Vikas Sharma

Designation - Assistant Professor

Qualification - M.Pharm. (Pharmaceutics)

Teaching Exp. - 6 Years

Mr. Vikas Sharma has completed his B.Pharm from GBTU, Lucknow, (U.P.) and M.Pharm from GBTU, Lucknow,(U.P.). His area of interest is research in Pharmaceutics with major emphasis on the development of NDDS.

Name - Mrs. Suman Lata Rawat

Designation - Assistant Professor

Qualification - M.Pharm. and Pursuing Ph.D.

Teaching Exp. - 4 Years

Mrs. Suman Lata Rawat has completed her B. Pharmacy from GRD, IMT Dehradun, (Uttarakhand) and M.Pharm from Department of Pharmaceutical Sciences Bhimtal, Kumaun University, (Uttarakhand). She is pursuing Ph.D. from Uttarakhand Technical University.

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

Innovative College of Pharmacy has well equipped & sophisticated Laboratories that fulfill the requirements of Pharmaceutical Chemistry, Pharmacognosy, Pharmaceutics and Pharmacology

1. PHARMACEUTICAL CHEMISTRY LABORATORIES

- Pharmaceutical Chemistry Lab (Organic Chemistry)
- Pharmaceutical Chemistry Lab (Medical Chemistry)
- Pharmaceutical Chemistry Lab (Biochemistry)
- Pharmaceutical Analysis Lab
- Central instrumentation Lab

PHARMACEUTICAL CHEMISTRY LAB is meant for synthesis, purification, extraction, identification and qualification tests of organic, inorganic, herbs & medicinal compounds. It also includes various analytical parameters like titration, gravimetric and volumetric analysis and assay of compounds.

We have Central Instrumentation Lab to provide instrumentation facility to students and faculty, for conducting analytical, practical and research work. This laboratory is well equipped with necessary modern instrumental facilities such as:

- Potentiometer
- HPLC
- Brookfield Viscometer
- Flourimeter
- Karl Fisher (KF)
- Visible & UV Spectrophotometer
- Flame Photometer
- Conductivity Meter
- Digital Balance
- Digital pH Meter

Plot No. - 6, Knowledge Park - 2, Greater Noida, U. P. - 201308. (Near Knowledge Park - 2 Metro Station)
Ph: 0120-2328555 | Website - www.innovativepharmacy.in | E-mail: innovativepharmacy01@gmail.com

2. PHARMACOGNOSY LABORATORIES

- a. Pharmaceutical Laboratory
- b. Museum
- c. Herbal Garden

PHARMACOGNOSY LAB is meant for identification, isolation, separation, purification, phytochemical screening and evaluation of medicinal plants and drugs by studying morphology and powder analysis. The lab is also suitable for organoleptic evaluation of crude and meant for extraction of active principles of crude drugs by various techniques.

Students are able to learn how to use various techniques and sophisticated instruments for extraction of crude drugs. They are provided ample opportunities to perform various qualitative and quantitative evaluations of herbal drugs.

PHARMACEUTICAL MUSEUM: The Museum is organized in a manner where students would be in contact with all kinds of educative anatomical models, cosmeceuticals, pharmaceuticals and herbs.

HERBAL GARDEN: Garden at the institute is a place where various medicinal plants are grown for experimental purpose by the students at campus for the accomplishments of different projects related to herbal plants.

3. PHARMACEUTICS LABORATORIES

- Pharmaceutical Laboratory (Pharmaceutical Engineering, Physical Pharmacy, General Pharmacy)
- Pharmacy Research Laboratory
- Pharmaceutics Microbiology
- Machine Room

PHARMACEUTICS LABORATORIES help in training the students in drug formulations like tablets, capsules, parenterals, ointments, creams, eye drops, syrups, drug interaction, stability and shelf-life studies. The students are trained for different aspects of filling packing, sealing and labeling the drugs. Various practical aspects of Pharmaceutics like Physical Pharmacy, Unit operation, Dispensing Pharmacy, Pharmaceutical, Technology & Biotechnology are taught to the students.

PHARMACEUTICAL MICROBIOLOGY: This lab provides the facilities to the students to study microorganisms, the process of sterilization, preparation of culture media both for static and broth cultures. This lab is attached with aseptic room as per GLP guidelines. The lab is suitable for the evaluation of antiseptics and disinfectants for the determination of phenol coefficient, microbial assay of vitamins and antibiotics.

MACHINE ROOM: This lab includes various machines and instruments used for production of various dosage forms. Students learn the actual production procedures and techniques of Pharmaceutical dosage forms.

4. PHARMACOLOGY LABORATORIES

- Human Anatomy & Physiology Laboratory
- Pharmacology Laboratory

Pharmacology is a branch which deals with the drug dose, route of administration, mechanism of action of drugs, adverse effects of drugs. It includes various subjects to inculcate students such as anatomy, Physiology & Pathophysiology and Pharmacology and Toxicology. The college also provides facilities to learn more about Anatomy and Pathology through models, charts, permanent slides and skeletons of animals. The computer lab is well equipped with software for the basic demonstration of Pharmacy experiments.

ANIMAL HOUSE: According to the requirements of CPCSEA, the animal house is available to facilitate learning of Pharmacological screening methods.

COMPUTER LAB has high end configuration computers outfitted with advanced software and broadband internet connectivity. The laboratory is meant for learning and conducting practicals prescribed as per the syllabus.

LANGUAGE LAB is an audio-visual installation used as an aid in modern language learning techniques. The language lab allows teachers to monitor, control, deliver, group, display, review and to collect, audio, video and web based multimedia content. The student player is linked to the teacher console and can play audio, video and web based formats to make easy understanding of basic concepts.

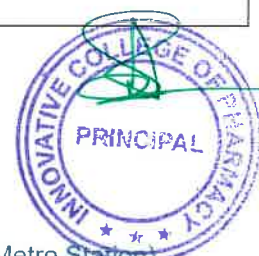

ADMISSIONS

Programme Name	Number of seats sanctioned	Number of Students admitted
B.Pharm	60	38
M.Pharm(Pharmaceutics)	15	7

PLACEMENTS & HIGHER EDUCATION

S. No.	Number of students enrolled	Number of Students
1	26	8

FACULTY DEVELOPMENT PROGRAMS

S. No.	Name of FDP	Date
1	Recent Trends, Advancements and opportunities In Phytochemical Research and Development	6 July 2020 to 12 July 2020
2	MS-Word learning Program for staff	14th December 2020 to 19th December 2020

The brief date wise Itinerary of the event is as under:

Day	Date	Time	Topic	Resource Person
1	06/07/2020	12 PM-1 PM 1 PM-3 PM	Inauguration Ayurveda Knowledge base Opportunities for Phytochemical Research	Prof.(Dr.) Ravi Kant
2	07/07/2020	2 PM to 3:30 PM	Ways to explore phytopharmaceuticals from traditional knowledge	Dr. Zeenat Iqbal
3	08/07/2020	2 PM to 3:30 PM	Metagenome mining to discover novel Anti-infectives	Dr. Sunil Thakur
4	09/07/2020	2 PM to 3:30 PM	Challenges in Ayurvedic/ Herbal formulations and ways to overcome it	Dr. Ravinder Kumar

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

5	10/07/2020	2 PM to 3:30 PM	Structural Elucidation of Phytochemicals: Saponin	Prof.(Dr.) M.S.Vyas
6	11/07/2020	2 PM to 3:30 PM	Technology interventions in exploring new opportunities and establishing natural products as modern phytopharmaceuticals	Dr.Neelam Saxena
7	12/07/2020	2 PM to 3:30 PM 3:30 PM to 4 PM	Active components and bioactivities from natural products Valedictory	Dr. Sumesh Kumar

Cultural Activities

S. No.	Name of Activity	Number of Participants
1	Independance Day	25
2	Teacher's Day	39
3	Hindi Diwas	34
4	Pharmacist Day	23
5	Best out of waste	23
6	Rangoli	35
7	Swachh bharat Gandhi jayanti	18
8	Diwali mela	16
9	Pharmacy week	18
10	T shirt panting	25
11	Face panting/ ramgoli	30
12	Christmas	35
13	Republic Day	38

Pharmacist Day- 25th September 2020

Innovative College of Pharmacy celebrated Pharmacist Day. Chief Guest of the event was Shri S.L.Nasa (Registrar, Delhi Pharmacy Council). All students took part enthusiastically in this event. The program was conducted in Innovative College of pharmacy, through online mode. Students participated in poster, oral presentation, debate and quiz competition.

"Transforming Global Health" is the theme of this year's World Pharmacists Day. The theme aims to show how pharmacists contribute to a world where everyone benefits from access to safe, effective, quality and affordable medicines and health technologies, as well as from pharmaceutical care services.

Orientation Programs (7th Nov 2020)

The Orientation for new entrants was held on 7th Nov 2020 at Innovative College of Pharmacy through online due to Covid Pandemic. The Orientation Programme was held to welcome the new students for the session 2020-2021 and to acquaint them with the beliefs and practices of the college. Emphasis was laid on the importance of education and the holistic development of each and every student. Further, the students were apprised with the rules and regulations of the college. It was conveyed to the students that they had an important role to play in the education of their own and also our collaborative effort would help in fulfilling the dreams we have.

Women's Day- 8th March 2021

International Women's Day (March 8) is a global day celebrating the social, economic, cultural, and political achievements of women. The day also marks a call. Women stand at the front lines of the COVID-19 crisis, as health care workers, caregivers, innovators, community organizers and as some of the most exemplary and effective national leaders in combating the pandemic.

World Environment Day – 5th June 2021

Guest Lecture (Webinar) – Dr M. Dwarakanath
Topic- Ecosystem Restoration -Webinar

Restoration ecology is the scientific study supporting the practice of ecological restoration, which is the practice of renewing and restoring degraded, damaged, or destroyed ecosystems and habitats in the environment by active human intervention and action. Dr M. Dwarakanath discussed about the untoward effects on human health with the use of the polybag. He also discussed about the importance of conservation of Rivers. The river conservation programme was initiated with the Ganga Action Plan (GAP) in 1985. The Plan was expanded to include major rivers under National River Conservation Plan (NRCP). Students enthusiastically participated in poster and oral presentation. They also made beautiful and usefull products from waste materials.

Guest Lecture (Webinar) - 06th June 2021

Topic- Drugs, Cosmetic and Medical Device Regulation in India
Specker- Dr Shanthi Gunasckaran (Joint Drug Controller)

The standards of quality and safety of medical devices are regulated in India by a law called The Drugs and Cosmetics Act, 1940 ("DCA"). The scope of DCA is restricted to only those medical devices which are notified by the Government from time to time as drugs. Dr. Shanthi discussed with the students and answered the questions raised by the students.
