ABOUT INNOVATIVE COLLEGE OF PHARMACY

The Innovative College of Pharmacy was founded in 2005, with Dr. K.R. Sharma, a well-known educationist in academic circles, serving as its chairman. Dedicated to pharmaceutical education and research, Innovative College of Pharmacy is a well-known establishment. The college, which was founded with the goal of delivering high-quality education, offers undergraduate (D.Pharm), graduate (B.Pharm), and postgraduate (M.Pharm) programs that priorities thorough knowledge and useful skills. The campus is well-appointed with cutting-edge labs, a contemporary library, and knowledgeable instructors with a wealth of knowledge in the pharmaceutical sciences.

The institution prepares students for jobs in clinical pharmacy, pharmaceutical research, and industry by emphasizing a combination of academic learning and hands-on experience. Additionally, it encourages students to work on creative projects and conduct scientific investigations by creating an environment that is focused on research. Because of the college's solid industry ties, top pharmaceutical companies can provide internships and job placements for students.

Innovative College of Pharmacy is dedicated to creating a fostering academic atmosphere for the upcoming generation of researchers and pharmacists. As a reputable college in the field of pharmacy education, it strives to further pharmaceutical sciences and healthcare via high-quality instruction and research projects.

VISION

The vision of Innovative College of Pharmacy is to become a leading institution in the field of pharmaceutical education and research. It aims to produce graduates who are competent and skilled in their profession and are committed to serving the healthcare industry and the society.

MISSION

- It aims to produce competent and knowledgeable professionals who can contribute to the development of the pharmaceutical industry and improve the health and well-being of the community.
- The college is committed to creating an environment that fosters research and innovation, encourages continuous learning, and promotes ethical and professional behaviour among its students and faculty.
- It strives to maintain high standards of education and excellence in all its activities, including teaching, research, and community service.

FROM THE DESK OF CHAIRMAN

Greetings from Innovative College of Pharmacy in Greater Noida. Our university is dedicated to giving students in the pharmaceutical sciences an outstanding educational experience. In order to support our students' professional development, we think it is important to provide them with a solid foundation in both theoretical and practical abilities.

Our aim is to generate capable, morally-driven chemists who can make significant contributions to the pharmaceutical and healthcare sectors. Our main goal is to establish an atmosphere that supports education, creativity, and research. With a group of committed academics and cutting-edge resources, we hope to promote academic success and a love of lifelong learning.

To prepare them for the difficulties of global healthcare, we urge our students to participate in research projects, internships, and community service. Developing the next generation of pharmacy and healthcare leaders is our mission at Innovative College of Pharmacy. We would like to have you join us in this pursuit of excellence.

FROM THE DESK OF PRINCIPAL

Greetings from Innovative College of Pharmacy in Greater Noida. Our organization is committed to providing high-quality pharmaceutical science education with the goal of producing competent individuals who can have a positive impact on the healthcare industry. We at Innovative College of Pharmacy place a high value on a comprehensive approach to education, integrating demanding academic course work with real-world experience and research possibilities.

Students are encouraged to investigate novel areas in pharmaceutical sciences with the support of our knowledgeable teachers, which promotes creativity and critical thinking. Our contemporary facilities and cutting-edge labs offer the perfect setting for experimentation and hands-on learning.

To better equip our students to handle the ever-changing demands of the pharmaceutical sector, we are dedicated to developing in them a sense of social responsibility and ethical principles. Together, we hope to develop chemists who will shape the future of healthcare by being informed, caring, and progressive.

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

VISION & MISSION

- To Create ideal ambience for learning, research, Interaction, debate and growth.
- To Help students inherit value systems, be creative, innovative and agile thinkers.
- To Establish discipline, value added education and training placement as three core values.
- To Building leadership capabilities among students to lead from the front and also be a team player.
- To Develop a symbiotic relationship between the institution, society and the community for mutual betterment.
- To Expand the vistas of higher learning in Pharmaceutical Technology and Management fields, including Post-Graduate Degree and Research.
- To Encourage global vision and Integration with international best practices for individual, social and national development.

PROGRAMME EDUCATIONAL OBJECTIVES

- To produce highly skilled and well trained Graduates and Post Graduates who have the ability to demonstrate technical competence in the field of Pharmaceutical sciences.
- To produce highly skilled and well trained Graduates and Post Graduates who would attain professional competence through life-long learning such as advanced degrees, professional registration, and other professional activities.
- To produce highly skilled and well trained Graduates and Post Graduates who would be able to take individual responsibility and to work as a part of a team towards the fulfillment of both individual and organizational goals.

CAMPUS INTRODUCTION

INNOVATIVE COLLEGE OF PHARMACY

Where pioneering spirit meets 21st century technology and which is known for:

- Renowned faculty
- Unlimited learning opportunities
- Vibrant student life
- To generate new ideas and give new shape to the world

LOCATION

The campus is spread over an area of 5.75 acres. It is situated in a calm, peaceful and pollution-free environment best suited to academic pursuits located next to India Expo Mart, Greater Noida at walking distance from the Knowledge Park-2, Metro Station.

The campus is equipped with modern labs, class rooms, seminar hall, library, student center for co-curricular activities, computer lab, academic and administrative blocks and other amenities for exclusive and widespread provision for indoor and outdoor games.

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

CAMPUS FACILITIES

LABORATORIES

Innovative College of Pharmacy has well equipped spacious modern state-of-the-art Laboratories for all the subjects of Pharmaceutical Science namely Pharmaceutical Analysis, Pharmacognosy, Pharmaceutical Chemistry, Medicinal Chemistry, Pharmacy Practice, Physiology, Pharmaceutical Engineering, Microbiology & Biotechnology, Bio-pharmaceutics and Pharmaceutics and Pharmacology as per the educational regulations laid down by PCI & AJCTE, New Delhi. Experiments are designed on the basis of theory & fundamental concepts so that the students can understand subject thoroughly and easily.

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

CAMPUS FACILITIES & AMENITIES CLASSROOMS

All the classrooms are spaciouly designed and are well furnished with necessary technical teaching aids like OHP, slide projectors, LCD Projector, Laptops and power supply.

SEMINAR HALL

The Institute possesses a Seminar Hall with seating capacity of 500 people. The hall plays host to guest lectures, seminars and various presentations.

LIBRARY

The College library has a rich collection of printed as well as electronic resources which include:-

- Books for particular topics or subjects as well as reference books like dictionaries, encyclopedias, e-books, etc.
- National and International Journals & Magazines.
- Database and Audiovisual material.
- Facilities of National Digital Library (NDL).

COMPUTER FACILITIES

Keeping in view the increased emphasis on technology, the Innovative College has developed computer lab and language lab with broad - band connection. The lab is equipped with sufficient number of computers with the latest configuration & software. In addition, we also have our own internet facility through local ISP. Wi-Fi facility is also available.

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

CAMPUS FACILITIES

HOSTEL

The hostel rooms for students are well furnished with provisions of 24 hour power back up with wireless internet connectivity and provides a professional ambience for work. There is centrally located dining hall. The food prepared is a mixture of Indian and continental. The hostel is managed by student's body, with the help of an advisory body of the College. Besides these facilities, there is a T.V. lounge, a gymnasium & facilities for indoor games

CANTEEN

The College canteen is spread over a vast area, with beautiful ambience and proper seating arrangement. The canteen facility is provided in the campus for day scholars, hostellers, guests of the college, teaching and non-teaching staff of the college. It can cater freshly cooked meals, snacks as well as ready to eat and ready to cook foods at nominal price. The management is fully committed to keeping the quality and hygiene of the food for the utmost benefit of all concerned.

SPORTS FACILITIES

A centrally located indoor games facility is provided for indoor games, such as table tennis, badminton, carom and chess. The campus has also been facilitated with a widespread outdoor area for cricket, volleyball and football.

PHARMACEUTICAL MUSEUM

The College possesses a museum exhibiting more than 100 crude drugs, herbarium sheets, botanical specimens and charts of drugs and plants, colored slides of medicinal plants, patent medicines and containers of common usage in medicines.

ANIMAL HOUSE

Innovative College of Pharmacy has an excellent and well maintained CPCSEA approved animal house with animals like rat, mice and rabbit. Observation room with air conditioned facilities, documentation room etc are also present. Institutional Animal Ethics Committee has been formed as per CPCSEA guidelines. The animal house is an added resource for the field of Pharmacology.

HERBAL GARDEN

The institute has developed a good number of medicinal and aromatic plants in its well organized 'Herbal Garden'. These medicinal plants enthuse the students to identify them for demonstration as well as extraction of different kinds of drugs and also to generate an aptitude for research in Pharmacognosy and Phytochemistry.

SEMINAR AND WORKSHOPS

Seminar and Workshops are the academic activities where latest and most important issues of Pharmaceutical field are discussed in presence of students from our college and other colleges with various well known personalities from time to time in Innovative College of Pharmacy. Some topics covered in seminars and workshops recently conducted as below-

1. Current Scenerio on "Drug regulatory affairs in Pharma Industry"
2. National Seminar on "Pesticides and its Impact on Human health"
3. Strategies & Current Scenerioof Clinical and Pharmacy Practice in India", "Industrial Demands from Pharma Youth", "Hypertension" and Option Of Career Venture".
4. Webinar on "Entrepreneurship"
5. Webinar on "Intellectual Property Right"
6. Seminar on "Importance of Pharmacovigilance"
7. Seminar on "Career in Pharmacy"
8. Seminar on "Health, Economicis and SLR"

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

DEPARTMENT DETAILS

DEPARTMENT OF PHARMACOLOGY

The pharmacology department lays strong emphasis on research while imparting education in pharmacology, toxicology & other related subjects. A primary objective of Pharmacology is to investigate the fundamental aspects of molecular bio-regulatory mechanism of the cell and understand how the new drugs act for treatment of diseases. Toxicology examines toxicity and adverse effects of newly developed drugs, mechanisms of chemical agents and how they produce mutagenicity, carcinogenicity, teratogenicity and neurological disorders.

THE DEPARTMENT HAS TWO SEPARATE LABORATORIES

ANATOMY AND PHYSIOLOGY LAB I:- It is established to understand the Human Anatomy, Physiology and Pathology of diseased state of the patient with the help of charts, models including human skeleton & various types of apparatus.

PHARMACOLOGY LAB II:- It consists of equipments to investigate the activity of various drug samples, and using animals instruments such as Rota Rod, Electro-convulsimeter, Plethysmograph, Analgesimeter, Histamine chamber and Actophotometer.

DEPARTMENT OF PHARMACOGNOSY

“Pharmacognosy is the science that deals with medicines derived from natural sources”

Pharmacognosy is a specific discipline that deals with the rapid developments in the knowledge and utilization of medicinal substances of biological origin (Plant, microorganism and animal products) used for human and veterinary purposes. This subject provides information about the principles and procedure used in the identification, authentication, extraction and isolation of active constituents by chromatography techniques, purification and development of herbal formulation and assay methods for the isolated constituents. Focus is also centred on pharmacopocial regulations, ICH, EU guidelines and principles of good manufacturing practices. The Pharmacognosy lab is equipped with Projection microscope, Soxhlet apparatus, Clevenger's apparatus, Stage micro-meter and ocular micrometers, hot air oven together with many crude drugs, charts and models.

HERBAL GARDEN

The College has established a Herbal Garden to teach students about the evaluation & extraction of drugs obtained from plant source. This includes a variety of plants like *Datura*, *Calotropis*, *Azadirachta indica*, *Cannabis sativa*, *Withania somnifera* and many more.

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

DEPARTMENT OF PHARMACEUTICAL CHEMISTRY

The department of pharmaceutical chemistry is one of the central important branches of the Institute. It is equipped with state of the art facilities to undertake academics in Bachelor of Pharmacy course. In the frontier area of phytochemical research, the focus is laid on isolation, characterization & evaluation of biological activities both by in-vitro & in-vivo models. Analysis of drugs and pharmaceutical chemicals forms the backbone of research and development in pharmaceutical industry. The department focuses on training the graduate students on how to use the modern and new instrumental analytical techniques such as HPLC, UV-Visible Spectroscopy, Fluorimetry and Flame photometry. Special emphasis is laid on the implementation of good laboratory practices and analytical skills. The department is actively involved in developing new analytical methods and their validation, characterization and quantitative estimation of possible impurities in various dosage forms. The department has a Pharmaceutical Chemistry Lab I (Inorganic / Organic Chemistry Lab), Pharmaceutical Chemistry Lab II (Pharmaceutical Analysis Lab), Pharmaceutical Chemistry Lab III (Medicinal Chemistry Lab) and Pharmaceutical Chemistry Lab IV (Central Instrumentation Facility).

DEPARTMENT OF PHARMACEUTICS

Pharmaceutics is concerned with the strategies by which biologically active compounds are presented to the body so as to elicit an optimal response. It includes the design, preparation and testing of drug delivery systems. The department has Machine Room, Pharmaceutics Laboratory I (GP/DP labs), Pharmaceutics Laboratory II (Unit Operation Lab) & Pharmaceutics Laboratory III (Microbiology lab). The machine room is well equipped with latest machines generally encountered in Pharmaceutical Industry like Coating Pan, Hand Operated Single Punch machine, Dissolution Rate Test Apparatus, Disintegration Test Apparatus, Refrigerated Centrifuge, Deep Freezer, Mechanical and Sieve Shaker, Filter Press, Venturimeter and Orifice Meter, Friability Test Apparatus, Granules Drier, Capsule Filling Machine and Mechanical Stirrer.

PHARMACEUTICAL MICROBIOLOGY LABORATORY

The Aseptic Room of Microbiology lab has facilities like BOD Incubators, Laminar Air Flow, UV Cabinet, Deep Freezer, Digital Oven, Incubators, Incubator Cum Shakers, Bacterial Colony Counter & Autoclaves.

The Pharmacy Department has also successfully completed projects sponsored by ALL INDIA COUNCIL OF TECHNICAL EDUCATION.

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

ADMISSION PROCEDURE

1. ADMISSION

- 1.1. Admission to B.Pharm, 1st Semester in 1st year and lateral admission in B.Pharm, 2nd year in 3rd Semester (for diploma holder candidates only) made as per the rules prescribed by the Academic Council of the Dr. APJAK Technical University, Lucknow.
- 1.2. Admission on account of migration of a candidate from any other University to Dr. APJAK Technical University is not permitted.

2. ELIGIBILITY FOR ADMISSIONS

2.1. ADMISSION THROUGH ENTRANCE EXAMINATION:

- (i) Candidates who have passed 10+2 intermediate securing 50% marks from UP Board or from other Boards with Physics & Chemistry as compulsory subject along with one of the following subjects:-

SUBJECT

Mathematics /Biology are eligible for Admission to 1st year of B.Pharmacy course offered by private colleges/institutions of UP.

- (ii) Candidates who have passed 2 year Diploma (with minimum 50% marks) from institutions recognized by the UP Board of Technical Education in Pharmacy are only eligible for admission to 2nd year of B.Pharm.

2.2. DIRECT ADMISSION ON VACANT SEATS AT INSTITUTION/COLLEGE LEVEL:

The eligibility criteria for direct admission on seats remaining vacant in 1st year after entrance examination counseling shall be such as may be notified from time to time.

COLLEGE RULES AND REGULATIONS

All the students will have to register their names at the beginning of each semester. Failure to do so will debar them from all facilities.

ATTENDANCE

Each student is required to have at least 75% attendance in each of the theory & practical classes; otherwise he/she will be debarred from appearing in the end semester examination under AKTU norms.

REMOVAL FROM COLLEGE ROLLS

The name of the student will be automatically removed from the college roll if:

1. He/she fails to pay up his/her dues in time
2. He/she remains absent from classes or hostel for more than 15 days without prior intimation.
3. He/she, otherwise eligible, does not deposit his/her examination or admission form without prior permission from the Principal.

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

PROGRAMS OFFERED

MASTER OF PHARMACY (PHARMACOLOGY)

RECOGNIZED BY: - AICTE, Ministry of HRD, Govt. Of India & U.P Govt.

APPROVED BY: - Pharmacy Council of India, New Delhi.

AFFILIATING UNIVERSITY: - Dr. APJ Abdul Kalam Technical University, Lucknow.

COURSE STRUCTURE:- The M.Pharm course has been specially designed by Dr. APJAKTU, Lucknow. M.Pharm pharmacology involves the interaction between drugs substances and living organism affecting the biochemical functions of the body. The course has been divided into four semesters, which include theory & practicals, besides the project work. The students conduct research and complete lab-based course in on-campus facilities that have the same innovative technology and equipment used in the Pharmaceutical industry.

ELIGIBILITY CRITERIA:- 60% marks in B.Pharm from any recognized university as per university norms.

MASTER OF PHARMACY (PHARMACEUTICS)

RECOGNISED BY: AICTE, Ministry of HRD, Govt. of India & U.P. Govt.

APPROVED BY: Pharmacy Council of India, New Delhi.

AFFILIATING UNIVERSITY: Dr. APJ Abdul Kalam Technical University, Lucknow.

COURSE STRUCTURE: The M.Pharm Course has been specially designed by DR. APJAKTU, Lucknow. M.Pharm Pharmaceutical degree focuses on drug discovery, research, development & manufacturing. The course has been divided into four semesters, which include theory & practicals besides the project work. The students conduct research and complete lab-based course in on-campus facilities that have the same innovative technology and equipment used in the pharmaceutical and biotechnology industry.

ELIGIBILITY CRITERIA: 60% marks in B.Pharm from any recognized university as per university norms.

BACHELOR OF PHARMACY

RECOGNISED BY: AICTE, Ministry of HRD, Govt. of India & U.P. Govt.

APPROVED BY: Pharmacy Council of India, New Delhi.

AFFILIATING UNIVERSITY: Dr. APJ Abdul Kalam Technical University, Lucknow.

COURSE STRUCTURE: The B.Pharm Course has been specially designed by DR. APJAKTU, Lucknow for those who are eager to acquire professional skill in the field of pharmaceutical education. This provides employment and business opportunities anywhere across the globe. The course has been divided into eight semesters, which include theory and practicals besides project work and industrial exposure.

ELIGIBILITY CRITERIA: 10+2 with 50% in PCB/PCM or Diploma in Pharmacy with minimum 50% marks from any recognized Technical Board. Lateral Entry:- D.Pharm with 50%

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

RESULT AT A GLANCE

Passed with Distinction 20%
Passed with first division 75.2%
Passed with second division 4.8%

DISCONTINUATION OF STUDIES

In case a student opts for discontinuation of his/her studies in the stream he/she is enrolled, he/she will have to make payment of his/her tuition and development fees and only then, he/she will be issued transfer certificate. In case the student opts for joining other college, he/she must obtain NOC from the college giving a declaration that he or she had no claim whatsoever subsequently on his said seat. In case he/she does not obtain NOC, all deposits will be forfeited.

LINKS WITH INDUSTRY & ACADEMIA

The institute has been successful in interacting with pharma industries from all over India through industry visits, vocational training and assistance in completing M. Pharm dissertations. College has signed MOU's with health care industries and Pharmaceutical Manufacturing and Testing labs.

INDUSTRIAL VISIT

Industry visits are arranged for 4 year students to acquire knowledge of the recent developments and onsite functioning of pharmaceutical industries. In the past, students have visited several industries in Baddi (Himachal Pradesh).

TRAINING AND PLACEMENT

The Placement Cell constantly keeps in touch with the industry to ascertain the technology advancement and plans well in advance for bridging any gap in addition to what students learn in their curriculum. The success of the Placement Cell is evident from our alumni occupying positions at the best opted companies in the country. The students are provided the platform for developing interpersonal technical and business skills, so that they can face the global challenges of today and the future. Innovative College of Pharmacy has 98% placement record. Complete guidance is Provided to Students by our Training and Placement cell such as -

- ◆ Stress on development of soft skills in addition to in-depth technical knowledge.
- ◆ Training in presentation skills, group discussions and personal interviews.
- ◆ Time to time counseling by trained personal.
- ◆ Arrangement of summer training.
- ◆ Arrangement of in campus & off-campus interview on continuous basis to achieve high rate of placement.

SOCIAL RESPONSIBILITY

Innovative College of Pharmacy from time to time takes responsibility of Social Services in and around the campus and in adjoining villages.

- ◆ Say no to single use plastic drive in and around the college.
- ◆ Swachh Bharat Abhiyan in adjoining villages.

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

PHARMACY

A GREAT CAREER OPTION
FOR SCIENCE STUDENTS!

DISCIPLINE

All students must abide by the rules and standing orders of the college from time to time, violation of which or any misconduct inside or outside the college campus may lead to disciplinary action as per the regulations and render a student liable to expulsion from the college. Students have to sign an undertaking to this effect at the time of admission. Further, if as a result of any demonstration or strike, any college property is damaged, the cost will be recovered directly from the students who are identified or collectively from such group of students who are responsible for it. In case of non-identification of any student(s) mass fine shall be imposed on the students.

CAREER IN PHARMACY

- ◆ Production & Manufacturing
- ◆ Research & Development
- ◆ Quality Control/Quality Assurance
- ◆ Hospital Pharmacy
- ◆ Forensic Pharmacy
- ◆ Opportunity to go Abroad
- ◆ Clinical trials
- ◆ Community Pharmacy
- ◆ Academic & Research
- ◆ Regulatory affairs/IPR
- ◆ Pharmacovigilance
- ◆ Marketing
- ◆ Medical writing

RAGGING IS AN OFFENCE REWARD IS JAIL

Ragging in any form by any student inside or outside the Innovative College of Pharmacy campus or hall of residence is strictly prohibited. As per the judgement of Honourable Supreme Court ragging in any form is a punishable heinous crime. As per the latest amendment to UGC Regulations on curbing the menace of ragging in higher educational institutions, ragging is defined as-

"Any act of physical or mental abuse (including bullying and exclusion) targeted at another student (fresher or otherwise) on the ground of colour, race, religion, caste, ethnicity, gender (including transgender), sexual orientation, appearance nationality, regional origins, linguistic identity, place of birth, place of residence, and economic background".

Innovative College of Pharmacy has constituted Anti-Ragging Committee and Anti-Ragging Squad for preventing ragging in college campus and in Hostel. CCTV cameras are installed at all locations known to be vulnerable to occurrences of ragging incidents.

"Anti-Ragging Helpline" means the Helpline established by the UGC under UGC Regulations on curbing the menace of ragging in Higher Educational Institutions, in 2009 under UGC Act 1956. Its purpose is to achieve the objective of eliminating ragging within the institution or outside.

UGC "Anti-Ragging Helpline" number (24x7) 1800-180-5522 , 011-23382087, E-mail: helpline@antiragging.in, Contact: Principal Office, 0120-2328555, Registrar, 8800200051, Warden, 9999874508, A.O. 8800879542

ANTI-RAGGING MEASURES

PUNISHMENTS:-

As per the UGC and PCI following actions can be taken by the Institute depending upon the nature and gravity of the offence as established by the Anti-Ragging Committee of the Institution. The possible punishments for those found guilty of ragging at the institution level shall be any one or any combination of the following:-

1. Suspension from attending classes and academic privileges
2. Withholding/withdrawing scholarship/fellowship and other benefits
3. Debarring from appearing in any test / examination or other evaluation process
4. Withholding results
5. Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.
6. Suspension/expulsion from the hostel
7. Cancellation of admission
8. Rustication from the institution for the period as decided
9. Expulsion from the institution and consequent debarring from admission to any other institution for a specified period
10. Fine ranging between Rupees 25,000/- and Rupees 1 lakh
11. Collective punishment: When the persons committing or abetting the crime of ragging are not identified, the institution shall resort to collective punishment.

TEACHER'S DAY- 5TH SEP 2023

The day beautifully highlights the crucial role of teachers in our lives. They shape students by guiding them, enriching their personalities, and imparting ethical and moral values. Teacher's Day is celebrated enthusiastically in every educational institution to honor teachers' dedication, showing them respect, appreciation, encouragement, and support for their commitment to students. Every year on September 5, India celebrates Teacher's Day to recognize and appreciate the efforts and hard work of our teachers in making us refined and responsible individuals.

Innovative College of Pharmacy celebrated Teacher's Day to honor our dedicated faculty members. The event featured a welcome address by our beloved principal and a felicitation ceremony recognizing outstanding faculty contributions in mentorship, innovative teaching, and research.

HINDI DIWAS -14TH SEP 2023

Innovative College of Pharmacy celebrated Hindi Diwas on September 14 with great enthusiasm. The event, which highlights the significance of Hindi as one of India's official languages, began with a speech by our Principal. Activities included poetry, speech and debate on Hindi in Science and Technology. The celebration successfully fostered pride and respect for the Hindi language among students and staff.

ORIENTATION PROGRAMME -18TH SEP 2023

The Innovative College of Pharmacy Orientation Program on 18th Sep. 2023 successfully welcomed the new batch of B. Pharm., D. Pharm., and M. Pharm. students. The event featured a warm welcome of newly admitted students by **Dr. K.R. Sharma, Honorable Chairman**, and **Dr. Titiksha Sharma, Academic Director**.

With a day full of informative and engaging activities, the program featured an inspiring welcome address by Principal Dr. Amarjeet Singh, faculty introductions, a comprehensive campus tour, & various workshops and seminars on essential skills and wellness. An interactive Q&A session allowed new students to address their concerns, fostering a sense of community. The day concluded with a networking mixer, helping students establish connections with peers and faculty. Overall, the orientation set a positive tone for the academic year, with students feeling welcomed and well-prepared for their journey in pharmacy education.

NEWSLETTER

INSIGHT

(Issue 11 | Year:2023-24)

PHARMACIST DAY - 25TH & 26TH SEP 2023

On September 25, 2023, the Innovative College of Pharmacy celebrated World Pharmacist Day with the theme "Pharmacists Strengthening Health Systems." The event featured a keynote address by our Principal and an inspiring speech by Chief Guest **Kunwar Srivastava**, Senior HR Manager at ACPL Group of Companies, and another guest, **Mr. Suraj Gupta**, highlighting the crucial role of pharmacists. Activities included Rangoli competition, poster presentation by students, a quiz competition, Best out of Waste Competitions, and T-shirt painting. The day concluded with a prize distribution ceremony, celebrating the achievements and dedication of pharmacy students and professionals.

GANDHI JAYANTI- 2ND OCT 2023

Innovative College of Pharmacy celebrated Gandhi Jayanti to honor Mahatma Gandhi's birth anniversary. The event began with a tribute to Gandhi Ji, followed by a speech from our Principal on his principles of non-violence and truth. Activities included a cleanliness drive as part of the Swachh Bharat campaign, speeches by students and faculty members. B. Pharm. Final year students (Ms. Pooja, Himanshu, Devang Mani, Mohit) made posters and visited a nearby rural area for the Swachh Bharat campaign.

FACULTY DEVELOPMENT PROGRAMME -7TH OCT 2023

The Innovative College of Pharmacy conducted a one-day Faculty Development Program on the topic "Impact of Research and Innovation in Sustainable Development of Higher Education Institutions (Blended Mode)". The event featured a keynote address by **Prof. Nishtha Jaswal**, Vice Chancellor, National Law University, Shimla, and our guest speakers, **Dr. J.K. Tripathi**, Joint Secretary, University Grants Commission (New Delhi), & **Prof. Ravi Kant**, Research and Development, M. University. The FDP was a success, focusing on enhancing faculty skills & knowledge in pharmacy education. Through workshops, seminars, and interactive sessions, participants engaged in discussions on emerging trends, teaching methodologies, and professional development. The program empowered faculty members to excel in their roles as educators and researchers, setting the stage for continued excellence in pharmacy education at our institution.

FRESHER'S PARTY-28TH OCT 2023

Fresher Party at the Innovative College of Pharmacy on 28th Oct 2024 was a vibrant and memorable event. Organized by the senior students and faculty, the evening began with a welcome speech by **Dr. Amarjeet Singh**, the Principal, who emphasized the importance of community and belonging. The event featured lively cultural performances by both seniors and freshers, showcasing their talents in dance, music, and skits. The highlight was the Mr. and Ms. Fresher contest, where **Jatin Chauhan** and **Divya Verma** were crowned after impressing the judges with their talent and confidence. Interactive games and activities helped break the ice between students, fostering new friendships. The evening concluded with a delightful dinner, allowing everyone to bond over shared experiences. The Fresher Party was a resounding success, creating a welcoming atmosphere and lasting memories for the new batch of students. The Innovative College of Pharmacy looks forward to more such events to continue this cherished tradition.

ANNUAL FEST- 28TH OCT 2023

The Innovative College of Pharmacy hosted Annual fest 'INNOVATIA' 2024 with captivating performances and invaluable words of wisdom from senior members. The highlight of the event was a live performance by singer **Sid K**, **DJ Switchers**, and **Host Mr. Abhinav**, which captivated the audience and added star power to the festivities. Students showcased their talents through vibrant dance forms like Bollywood, Haryanvi, Bhangra, and other activities like a ramp walk and fashion show. The vibrant atmosphere and camaraderie fostered during the event set the stage for meaningful connections and unforgettable memories. It was a promising start to a journey filled with growth, learning, and camaraderie for all attendees.

Innovatia Fest 2024 was a grand success, promoting a spirit of innovation and unity within the college community.

PRIZE DISTRIBUTION CEREMONY -28TH OCT 2023

The Innovative College of Pharmacy organized Annual prize distribution ceremony for our present students and alumni. It was a remarkable event celebrating academic excellence and achievement. Students were recognized for their outstanding performance in various academic disciplines like Highest Attendance, Class Topper, Best Student, Best Outgoing Students, and extracurricular activities (100m Race, Spoon Race, Relay Race, Three-legged Race, Carrom, Chess, Tug of War, Volleyball, Kho-Kho, Long Jump, High Jump, and Cricket). Distinguished guests, faculty members, and proud parents gathered to honor the hard work and dedication of our students. It was a testament to the collective efforts of our students and the supportive environment fostered by our institution.

DIWALI FEST - 9TH NOV 2023

Diwali symbolizes the spiritual victory of light over darkness, good over evil, and knowledge over ignorance. Diwali is the biggest, brightest, and most popular event in the Indian calendar.

The Innovative College of Pharmacy celebrated the Diwali festival with great enthusiasm with students. Handmade diya painting, card making were displayed. Diwali games, food stalls, music, and other activities were conducted. Students showcased their talent in Rangoli and Mehndi competitions.

PHARMACY WEEK - (29TH, 30TH NOV & 1ST DEC 2023)

Day - 1 (29TH NOV.)

The Innovative College of Pharmacy, Greater Noida celebrated three-day Pharmacy Week celebration with the theme "**Join Pharmacists to Ensure Patient Safety**". On the first day, **Dr. Sumesh (Ayush Ministry)** graced the occasion as the Chief Guest. He motivated the students with an inspirational speech on the importance of "**Join Pharmacists to Ensure Patient Safety**". On the first day, various activities were conducted by the college, including T-Shirt painting, Pharma Quiz, Essay Writing, and Oral Presentation. The day concluded with a motivational speech by our Academic Director.

Day - 2 (30TH NOV.)

The second day of the celebration started with a seminar by the guest speaker Mr Suraj Gupta who enlightened the students about how to study abroad and chase their dreams for jobs. The session concluded with a question & answer round in which the students participated eagerly and were very interactive. After this fruitful session, students visited the CPHI Pharma exhibition at Expo Mart.

Day - 3 (1ST DEC 2023)

The third and final day of the 62nd National Pharmacy Week Celebrations at the Innovative College of Pharmacy started with a very effective seminar on "Role of Microbiota" by Yakult DANONE Pvt Ltd. The three days of the event concluded with the Valedictory function.

SCHOOL VISIT (HEALTH CHECK-UP CAMP)- 4TH DEC 2023

The Innovative College of Pharmacy conducted a health checkup camp at **Vaidik Kanya Inter College, Dadri, G. B. Nagar**, aiming to assess and improve the health status of school children while fostering health awareness. The camp involved physical examinations, body temperature, glucose measurement, blood pressure, lung examination, and interactive health education sessions on hygiene and nutrition. Students received health kits containing essential hygiene items, and those requiring further medical attention were referred to appropriate healthcare providers. This event not only benefited the community but also provided invaluable practical experience for the pharmacy students, reinforcing their commitment to public health.

REPUBLIC DAY - 26TH JAN 2024

Republic Day 2024 at the Innovative College of Pharmacy was a memorable occasion, reaffirming our commitment to the progress and prosperity of our beloved nation. As future pharmacy professionals, let us carry forward the spirit of patriotism and service in all our endeavors, making meaningful contributions to the health and well-being of our society. The celebration began with the national flag hoisting by Principal **Dr. Amarjeet Singh** and the singing of the national anthem. The event featured a variety of student performances, including patriotic songs and a skit on freedom fighters. The celebration concluded with a vote of thanks, expressing gratitude to all participants, faculty, and volunteers, fostering a sense of patriotism and responsibility among students. The Innovative College of Pharmacy proudly salutes the tricolor and reaffirms its dedication to the ideals of the Indian Republic.

SPORTS DAY- 22ND TO 23RD FEB 2024

The Innovative College of Pharmacy organized its annual Sports Day, filled with enthusiasm and competitive spirit. The event kicked off with a welcome speech from the Principal and featured a variety of athletic events, including races (100m Race, Spoon Race, Relay Race, Three-legged Race), basketball, volleyball, tug-of-war, Kho-Kho, long jump, high jump, and cricket, as well as some indoor games like carrom and chess. After two days, the event concluded by celebrating the winners' achievements. The event successfully promoted community, teamwork, and a healthy lifestyle among students, faculty, and staff.

PLACEMENT DRIVE -27TH FEB 2024

The Innovative College of Pharmacy organized a placement drive for D. Pharm., B.Pharm., and M. Pharm. final year students for the company True Vital Wellness Pvt. Ltd. The company was recruiting students for the post of executive in various departments. The company team conducted interviews that included two rounds: one was a group discussion, and the other was a personal interaction round. In the first round, 30 students were selected out of 55, and in the second round, 15 students were selected for the final telephonic round, which will be conducted by the company once the students receive their degree completion certificates. Mr. Akash Johri coordinated the program.

On 6th March 2024, students of the D. Pharm. 2nd year from the Innovative College of Pharmacy embarked on an enriching educational journey to the District Covid Hospital, Noida. The visit provided a valuable opportunity for students to gain practical insights into the real-world healthcare environment and witness the role of pharmacists in patient care and management.

WOMEN'S DAY - 8TH MAR 2024

The Innovative College of Pharmacy celebrated International Women's Day with enthusiasm & respect, honoring the achievements and contributions of women in various fields. The event began with an inaugural address by Chief Guest Hon'ble Smt. Richa Upadhyay, Additional District and Sessions Judge (G.B. Nagar), who highlighted the importance of gender equality and the empowerment of women in society. The celebration included inspiring speeches by Mrs. Bhawana Bajaj, Advocate, Delhi High Court and Mrs. Sangeeta Sharma, Advocate, Delhi High Court, sharing their personal experiences and the challenges they have overcome. A panel discussion on "Women in Pharmacy: Breaking Barriers and Shaping the Future" featured distinguished alumnae and industry leaders who provided valuable insights into the evolving role of women in the pharmacy profession.

WORKSHOP ON ANIMAL HANDLING - 8TH APRIL 2024

The Animal Handling Workshop at our pharmacy college provided attendees, including students, faculty, and researchers, with valuable insights into proper animal handling techniques, ethical considerations in experimentation, and the significance of animal models in pharmaceutical research led by expert speakers, Ms. Rachna Kaushik, General Manager Epitope International, Dr. Nayyar Parvez, Professor/HOD, Sharda University, and Ms. Simran, Assistant Professor, RKGIT. The sessions covered a range of topics, from practical handling skills to the importance of adhering to ethical guidelines. Feedback from participants was positive, highlighting the workshop's effectiveness in enhancing understanding and skills in this crucial aspect of pharmacy education. Moving forward, continued support and resources will be essential for further development in animal handling proficiency among pharmacy professionals.
