Industrial Visit Report: EG Pharma and Vrindavan Global Pharmaceutical Baddi, Himachal Pradesh

Introduction

On 09/05/2024, students from Innovative College of Pharmacy, Greater Noida, embarked on an industrial visit to two leading pharmaceutical companies, EG Pharma and Vrindavan Global Baddi, Himachal Pradesh.

This visit provided invaluable insights into the operations of these companies, both committed to delivering high-quality healthcare products. The following report encapsulates our observations and learning experiences from this enlightening visit.

EG Pharma, Baddi, Himachal Pradesh.

Company Overview

EG Pharma is a premier pharmaceutical company dedicated to providing world-standard healthcare products at affordable prices. The company adheres strictly to WHO standards, leveraging the latest technology alongside the hard work of its dedicated team. Consistently building on its strengths, EG Pharma aims to continue its trajectory through continuous improvement and customer-centric approaches.

Core Strengths

- **Manufacturing Infrastructure:** Situated at the scenic foothills of the Himalayas, equipped with modern machinery and necessary regulatory approvals.
- **Quality and Product Range:** Emphasis on quality and a fast-expanding product range.
- **Professional Team:** Competent and highly motivated team enhancing health, quality of life, and stakeholder wealth.

Divisions and Products

- **Capsules:** LGFER-C, JOSENG, LGVIT, LGVIT FORTE
- **Injectable:** AMIN Series, GENCIN, DINAC, SHIELD, E PANT, CEFTOX Series, RODEC Series, CEFPEN Series, ECLAVE, GERONE-SB, OMODAL, EMETOP, GEMIN PLUS, DOLONE Series, DEXAM, GECAM, CORAL, RECOBAN-S, ERONEM, GETAZ-4
- **Liquids:** Various liquid formulations

Visit Highlights

- **Quality Control:** Strict adherence to WHO-GMP standards.
- **Production Capabilities:** Advanced infrastructure and manufacturing techniques.
- **Research and Development:** Innovative formulations and continuous improvement in production processes.
