REPORT

Event: Skill development program

Introduction:

Innovative college of pharmacy is organizing a skill development program on **September 15, 2023**, The aim was to equip participants with essential skills to enhance their professional capabilities and career prospects. This report provides an overview of the program, including its objectives, structure, outcomes, and feedback.

Objectives:

1. To enhance participants' technical and soft skills.
2. To provide hands-on training in key areas relevant to their fields.
3. To improve participants' employability and career advancement opportunities.

Outcomes:

1. **Skill Enhancement:** Participants reported significant improvements in their technical and soft skills
2. **Career Advancement:** Many participants expressed increased confidence in their career prospects and readiness for new job opportunities.
3. **Networking:** The program facilitated networking among participants and industry experts, fostering potential collaborations and mentorship opportunities.

Feedback:

1. **Positive Feedback:** Participants appreciated the program's comprehensive curriculum, experienced trainers, and practical approach to learning.

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

Feedback:

1. **Positive Feedback:** Participants appreciated the program's comprehensive curriculum, experienced trainers, and practical approach to learning.
2. **Suggestions for Improvement:** Some participants suggested longer sessions on specific topic and more opportunities for one-on-one mentorship.

Conclusion: The Skill Development Program successfully met its objectives of enhancing participants' skills and improving their career prospects. The positive feedback and significant outcomes underscore the program's effectiveness. Future programs could incorporate the suggested improvements to further benefit participants.

Acknowledgments: We extend our gratitude to the trainers, guest speakers, and all participants for their active involvement and contribution to the program's success.

Skills are never taught, they are acquired

Report: Health Camp

Introduction: On December 4th, 2023 a first aid camp was organized by innovative college of pharmacy, with the aim of providing basic medical assistance and education to the community. The event was organized by Innovative college of pharmacy.

Objective : The main goals of the first aid camp were to teach attendees the fundamentals of first aid, increase public awareness of emergency response, and offer emergency medical care to those in need.

Venue : The camp was held at Dadri, uttar pradesh that is easily accessible. It was picked because it was convenient and had enough room for both athletes and medical staff.

Activities:

1. **First Aid Training Sessions:** Interactive training courses on fundamental first aid skills, including CPR, wound treatment, choking relief, and fracture stabilisation, were led by certified medical professionals. It was encouraged of participants to actively participate in demonstrations and to ask questions.
2. **Demonstrations:** First aid procedures were demonstrated in real time, giving participants the chance to see and practise under supervision. This practical method helps solidify knowledge and boost self-assurance when using first aid techniques.
3. **Medical Check-ups:** A special space was reserved for medical examinations, where participants may speak with medical experts about any questions or concerns they may have had about their health. There were blood pressure checks, glucose tests, and overall health evaluations offered.
4. **Distribution of First Aid Kits:** Each attendee was given a free first aid kit that included necessary items like gloves, bandages, adhesive tape, antiseptic wipes, and scissors. There were instructions on how to utilise each item efficiently demonstrated.

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

5. **Emergency Response Drill:** Participants' reactions to various medical emergencies were tested in a simulated emergency scenario. Through this activity, their capacity to administer first aid in practical settings was evaluated, and areas requiring development were noted.

Outcome: People from a variety of age groups and backgrounds attended the first aid camp. Participants expressed great pleasure with the training sessions and hands-on demos in their feedback. Many expressed gratitude for the chance to engage with healthcare professionals in a supportive setting and acquire life-saving techniques.

Conclusion: The first aid camp, which took place on April 19th, 2024, was a huge success and achieved its goals of giving the community access to medical care, educating people about emergency response, and imparting useful first aid knowledge. The occasion gave attendees the tools to take proactive measures to protect their own and others' health, as well as a reminder of how important it is to be ready to manage medical emergencies.

Recommendations:

1. Organize regular first aid camps to reinforce learning and reach a wider audience.
2. Collaborate with local schools, community centers, and businesses to promote first aid awareness and training.
3. Incorporate advanced first aid techniques and specialized training for specific emergencies in future camps.
4. Collect feedback from participants to continually improve the quality and effectiveness of first aid training programs.

Acknowledgments: We sincerely thank all of the participants, sponsors, medical experts, and volunteers that helped make the first aid camp a success. Their commitment and assistance were

NOTICE

Dear all students and esteemed faculty,

We are pleased to announce that the Innovative college of pharmacy are organizing international womens day on 8th march 2024. This day honors the achievements and contributions of women around the world. Let's stand together to promote gender equality, empowerment, and recognition of women's rights. Participate in our events and activities to show your support and appreciation. Happy International Women's Day!

REPORT

Report on International Women's Day

Introduction

On **8 march 2024** Innovative college of pharmacy organized International Women's Day (IWD) is celebrated annually to honor the social, economic, cultural, and political achievements of women worldwide. This day also marks a call to action for accelerating gender parity and fostering women's rights and empowerment.

Global Celebrations and Events

International Women's Day is marked by various events and activities worldwide. These include marches, rallies, conferences, and cultural performances. Many organizations and institutions, including governments, NGOs, and private companies, organize events to promote women's achievements and advocate for gender equality.

Achievements and Progress

IWD has played a significant role in highlighting the progress made towards gender equality and women's rights. There have been notable improvements in women's access to education, healthcare, and political participation. More women are now in leadership roles, and global awareness about gender-based violence and discrimination has increased.

Challenges and Future Goals

Despite the progress, challenges remain. Women continue to face significant barriers, including wage gaps, underrepresentation in leadership positions, and societal norms that perpetuate gender stereotypes. The COVID-19 pandemic has further exacerbated these issues, highlighting the need for sustained efforts towards achieving gender parity.

Conclusion

International Women's Day serves as a powerful reminder of the ongoing struggle for gender equality. It is a day to celebrate the achievements of women, reflect on the progress made, and recognize the challenges that lie ahead. By continuing to advocate for women's rights and gender

INNOVATIVE COLLEGE OF PHARMACY

NOTICE

Dear all students and esteemed faculty

Innovative College of pharmacy is pleased to announce a **Awareness Campaign on Women safety and security scheduled for February 16, 2024**. We are enhancing measures to ensure the safety and security of women in our community. Key initiatives include improved lighting, increased security patrols, and surveillance cameras. Confidential reporting mechanisms and counseling services are available for those affected by harassment or abuse. We encourage community involvement through bystander intervention and neighborhood watch programs. Your cooperation is vital in creating a safe environment for all.

Report on Women Safety and Security

Date: 16th February 2024

Introduction

Ensuring the safety and security of women is a paramount concern in our community. This report aims to evaluate current safety measures, identify areas for improvement, and propose comprehensive strategies to enhance the security and well-being of women.

Current Safety Measures

1. Emergency Contacts:

- Local Police Station Contact Number
- Women's Helpline Number
- Emergency Services Contact Number

2. Infrastructure:

- **Lighting:** Implementation of well-lit public spaces, pathways, and parking lots.
- **Security Patrols:** Regular security patrols, especially during late hours.
- **Surveillance Cameras:** Installation of surveillance cameras in strategic locations to monitor activities and deter criminal behavior.

3. Programs and Workshops:

- **Self-Defense Classes:** Regularly organized self-defense training sessions.
- **Safety Workshops:** Workshops aimed at educating women on personal safety and security measures.
- **Awareness Campaigns:** Campaigns to raise awareness about women's safety issues and available resources.

4. Support Systems:

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

- **Reporting Mechanisms:** Confidential and accessible channels for reporting incidents of harassment or abuse.
- **Counseling Services:** Availability of counseling and support services for victims.
- **Support Groups:** Formation of community support groups for mutual support and experience sharing.

Areas for Improvement

1. Infrastructure Enhancements:

- Expand the installation of surveillance cameras to cover more areas.
- Improve the maintenance and reliability of street lighting.

2. Program Expansion:

- Increase the frequency and reach of self-defense classes and safety workshops.
- Enhance the visibility and accessibility of awareness campaigns.

3. Support System Strengthening:

- Develop more robust and user-friendly reporting mechanisms.
- Provide additional resources for counseling services to handle a larger number of cases.

4. Community Involvement:

- Encourage greater participation in neighborhood watch programs.
- Promote bystander intervention training to empower community members to act.

Proposed Strategies

1. Enhanced Surveillance:

- Increase the number of surveillance cameras and ensure they are monitored in real-time.
- Implement advanced technology, such as facial recognition, to identify and track offenders.

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

2. Training and Education:

- Partner with local organizations to provide regular training sessions on personal safety and self-defense.
- Integrate safety education into school curricula to raise awareness from a young age.

3. Policy Development:

- Develop and enforce policies that promote gender equality and prevent discrimination.
- Establish clear guidelines for handling harassment and abuse cases within the community.

4. Community Engagement:

- Foster a culture of vigilance and mutual support through regular community meetings and events.
- Utilize social media and other communication platforms to keep the community informed and engaged.

Conclusion

Creating a safe and secure environment for women is a collective responsibility. By enhancing current measures, addressing areas for improvement, and implementing comprehensive strategies, we can ensure that our community is a place where women feel safe, respected, and valued. Continuous effort and cooperation from all community members are essential in achieving this goal.

NOTICE

VISIT TO AANGAN ELDERLY HOME

The Social Service Committee of Innovative college of pharmacy is organizing a visit to **Aangan elderly home on 15 April 2024 from 10:00 AM to 1:00 PM.**

About the visit: The purpose of this tour is to provide the students a chance to talk with the elderly inhabitants of the old age home and gain an understanding of the difficulties that they experience. It's a great opportunity to share happiness and listen with empathy as they share their experiences.

By April 15 2024, interested students are asked to register their names with the committee members. Together, let's make this an occasion our seniors will never forget and gain insight from their tenacity and knowledge.

Visit Report: Old Age Home – Aangan elderly home

Date: 15th April, 2024, **Time:** 10:00 AM - 1:00 PM

Overview:

The Social Service Committee of the Innovative college of pharmacy organized a visit to the Old Age Home - **Aangan elderly home** on 15th April, 2024. The purpose of the visit was to provide students with an opportunity to interact with the residents of the old age home and gain insight into the challenges faced by the elderly population.

Activities:

The nursing care center's staff and residents welcomed the students with open arms when they arrived. The students were given an overview of the daily schedule, amenities, and difficulties faced by the senior citizens during the first part of the visit.

Students actively engaged in various activities planned for the visit, including:

1. Interactive Sessions:

Students have the chance to converse meaningfully with the senior citizens and hear about their life experiences. This gave locals and students a forum to express their ideas and viewpoints.

2. Entertainment:

Students planned games, dance, and music performances as a way to convey joy and happiness. The inmates' spirits were elevated by the lively atmosphere, which also promoted a sense of community.

3. Compassionate Interaction:

Students showed compassion and understanding for the older elders during the visit. They showed genuine concern and care, and they listened and offered company.

Reflections:

The kids learnt a great deal from their tour to the Old Age Home - Nursing Care Centre. It made it possible for them to comprehend the difficulties that the senior population faces on a deeper level and to recognise the value of compassion and social responsibility. The students were inspired and motivated to make a positive impact on the lives of others by the senior residents' perseverance and knowledge.

Conclusion:

The students' enthusiastic engagement and active participation made the tour a huge success. It was a timely reminder of the value of developing deep relationships with senior citizens and advocating for an environment that values and respects their needs. We would like to express our gratitude to the employees and residents of the Old Age Home - Aangan elderly home for making us feel so welcome and for adding so much warmth and hospitality to our visit.

Report on Traffic Awareness Camp

Date: August 25th 2023

Introduction:

On August 25th 2023, students of the Innovative college of pharmacy organized a Traffic Awareness Camp aimed at educating the public about road safety and responsible driving practices. The event was conducted with the intention of reducing road accidents and promoting a culture of safety among motorists and pedestrians.

Objectives:

1. One of the goals is to inform the public on traffic laws and regulations.
2. To increase understanding of the significance of traffic safety.
3. To encourage drivers to adopt safe driving practices.
4. To lower the number of traffic accidents that occur in the neighbourhood.

Activities:

1. Educational seminars: First, law students led educational seminars during the camp where they covered safe driving techniques, traffic rules, and the penalties for breaking them. To improve comprehension, visual aids like charts and presentations were used.

2. Demonstrations: To show appropriate driving conduct, such as how to utilise seat belts, pedestrian signals, and zebra crossings, practical demonstrations were conducted. The perils of intoxicated driving and the significance of wearing a helmet when riding a motorbike were also illustrated by the students.

3. Interactive Sessions: To get people talking about their experiences and problems with road safety, interactive sessions were held. It was encouraged for participants to ask questions and voice their concerns in order to promote a two-way information exchange.

4. Distribution of Educational Materials: Attendees received informational pamphlets, leaflets, and brochures with advice on safe driving and specifics on traffic legislation. After the event,

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

participants may easily review these resources to reinforce what they had learnt.

5. Role-Playing activities: Students conducted role-playing activities that mimicked diverse traffic events, giving participants the opportunity to see and comprehend the appropriate course of action in various scenarios. This participatory method promoted learning reinforcement and active engagement.

Impact:

The Traffic Awareness Camp organized by the students of the Innovative college of pharmacy had a significant impact on the community:

- Increased awareness: Participants gained a better understanding of traffic rules and the importance of adhering to them.
- Changed behavior: Many attendees reported intentions to adopt safer driving practices and to be more cautious on the roads.
- Community engagement: The event fostered a sense of community involvement in promoting road safety, encouraging participants to take collective responsibility for creating safer road environments.
- Long-term benefits: By educating individuals about road safety, the camp aimed to contribute to a reduction in road accidents and fatalities over time, thus benefiting the community as a whole.

Conclusion:

The Innovative College of Pharmacy students' Traffic Awareness Camp was a wonderful effort to spread awareness of safe driving habits and road safety. With the help of instructive workshops, real-world examples, and interactive sessions, participants gained the information and abilities necessary to drive more safely. Such programs have an influence that goes beyond the immediate occurrence and have the potential to save lives and reduce traffic accidents in the long run. This report highlights the value of teamwork in tackling public concerns and demonstrates the devotion and hard work of the students who organised the camp. It is hoped

INNOVATIVE COLLEGE OF PHARMACY

NOTICE

Dear all students and esteemed faculty

It is with great pleasure that we announce the organization of a **Swachh Bharat Mission** event by the Innovative college of pharmacy. The event is scheduled to take place on **October 2nd 2023**.

The Institute is putting on this event to spread awareness and actively take part in the Swachh Bharat Mission as part of our commitment to supporting the cleanliness and hygiene campaign started by the Government of India. It is highly recommended that all staff members and students fully engage in this admirable endeavour. Together, let's work to create a nation that is healthier and cleaner.

REPORT

Swachh Bharat Mission by the Innovative college of pharmacy

The Swachh Bharat Mission event organized by the Innovative college of pharmacy on October 2nd 2023 was a resounding success, with enthusiastic participation from students, faculty members, and staff. The event aimed to promote cleanliness, hygiene, and awareness about the Swachh Bharat Mission initiated by the Government of India.

Objectives

- Eradicate open defecation by constructing household and community toilets.
- Improve solid waste management practices.
- Educate citizens about hygiene and sanitation.

Implementation

The mission has been implemented in urban and rural areas through the Swachh Bharat Abhiyan. Efforts include:

- **Toilet Construction:** Over 100 million toilets have been built, significantly reducing open defecation.
- **Solid Waste Management:** Initiatives for waste segregation, recycling, and composting have been introduced.
- **Public Awareness Campaigns:** Extensive campaigns using media, workshops, and school programs to promote cleanliness and hygiene.

Achievements

The mission has made remarkable progress:

- **Sanitation Coverage:** Increased rural sanitation coverage from 39% to nearly 100%.

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

- **Open Defecation Free (ODF) Status:** Many states have been declared ODF, improving health outcomes and quality of life.
- **Behavioral Change:** A significant shift in public attitudes towards sanitation and cleanliness.

Challenges

Despite successes, challenges remain:

- **Sustainability:** Ensuring long-term maintenance of facilities and practices.
- **Waste Management:** Addressing the complexities of urban waste and recycling.
- **Water Scarcity:** Providing adequate water supply for sanitation in some areas.

Conclusion

The Swachh Bharat Mission has made substantial strides toward a cleaner India, achieving significant milestones in sanitation and public awareness. Continuous efforts are needed to address ongoing challenges and ensure the sustainability of achievements. The mission exemplifies the power of collective action and government commitment in transforming public health and environmental standards across the country.

Event Report: Plantation Day

Date: May 20, 2024

Introduction:

On May 20, 2024, Innovative college of pharmacy organized a Plantation Day with the aim of promoting environmental sustainability and creating a greener campus. The event was a collaborative effort involving students, faculty, and staff members.

Event Details:

The Plantation Day commenced at 10 am. at the designated venue on campus. Participants gathered with enthusiasm, ready to contribute to the cause of environmental conservation. The event began with a brief introduction by our head of department Dr. Amarjeet singh, highlighting the importance of tree plantation in mitigating climate change and preserving biodiversity.

Plantation Activity:

Saplings of native tree species that suited the environment in the area were given to the participants. Everyone happily planted seedlings in designated spots throughout the campus, guided by knowledgeable volunteers. People were cooperating to improve the environment, and there was a strong sense of purpose and camaraderie in the air.

Awareness Session:

An awareness workshop was held to inform participants about the importance of trees in preserving ecological balance and enhancing air quality after the plantation process. The function of trees in water conservation, wildlife habitat provision, and carbon sequestration were among the important subjects covered.

Conclusion:

Thanks to the enthusiastic involvement and support of students, professors, and staff, Innovative College of Pharmacy's Plantation Day on May 20, 2024, was a huge success. By this program, we have increased the amount of green space on our campus and given the participants a sense of environmental responsibility. We're determined to hold more occasions like this in the future to

4. Notice Board

Event Report: Save Soil Campaign

The Save Soil Campaign organized by the Innovative college of pharmacy on May 6, 2024, was a resounding success, bringing together students, faculty, and environmental enthusiasts to raise awareness about the importance of soil conservation and sustainable practices.

We are honored to have Mr. Gopal Aggarwal, an esteemed environmentalist and advocate for sustainable development, as our distinguished guest for the event. Mr. Aggarwal's insights and expertise in the field will undoubtedly enrich our understanding of the critical role soil plays in ensuring a healthy environment for present and future generations.

The Save Soil Campaign included thought-provoking presentations, lively debates, and interesting talks on a range of topics related to soil conservation, such as the difficulties encountered, creative solutions, and the function of legal frameworks in supporting sustainable soil management techniques.

The first address of the event focused on the importance of maintaining soil health in order to ensure food security, conserve biodiversity, and lessen the effects of climate change. Mr. Gopal Aggarwal, the keynote speaker, gave a motivational speech about the pressing need for group action to combat soil degradation and stressed the function of legal frameworks in advancing sustainable soil management techniques.

Engaging lectures and panel discussions on a range of topics related to soil conservation, such as soil erosion, contamination, desertification, and the use of agro-ecological techniques, were part of the Save Soil Campaign. By actively sharing their opinions and thoughts, participants helped to create a meaningful conversation about possible approaches and solutions to problems relating to soil.

Attendees gained useful knowledge on soil testing procedures, organic farming practices, and community-led soil restoration projects from interactive sessions and workshops. Through networking with scholars, environmental specialists, and representatives of non-governmental organisations, participants were able to exchange expertise and explore prospects for

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

collaboration.

At a pledge ceremony that marked the end of the event, participants promised to take specific steps to preserve and safeguard soil resources in their own areas of influence. Participants expressed gratitude for the thought-provoking talks and the chance to have in-depth conversations on important environmental issues.

The Save Soil Campaign served as a catalyst for raising awareness and mobilizing collective action towards ensuring the long-term sustainability of our planet's most valuable resource - soil. The Innovative college of pharmacy remains committed to promoting environmental stewardship and fostering a culture of sustainability within the academic community and beyond.

We extend our sincere gratitude to Mr. Gopal Aggarwal, our esteemed guest speaker, all participants, volunteers, and partners for their invaluable contributions to the success of the event.

Pharmacist Day

Date: September 25, 2023

Introduction:

We are pleased to announce that Innovative college of pharmacy will be organizing Pharmacist day **september 25, 2023**. The event aimed to highlight the crucial role pharmacists play in healthcare, focusing on their contributions to patient care, medication management, and public health awareness.

Objectives

The primary goals were to educate the public about pharmacists impact on healthcare, foster collaboration among healthcare professionals, and celebrate the achievements of pharmacists worldwide.

Activities

The event featured a range of activities designed to engage and inform attendees:

- **Workshops:** Sessions were held on medication management, patient counseling, and the latest advancements in pharmacy practice.
- **Health Camps:** Free health checkups and consultations were provided, showcasing the practical role of pharmacists in community health.
- **Panel Discussions:** Experts discussed topics such as the evolving role of pharmacists, innovations in drug therapy, and strategies to enhance patient outcomes.

Participation

The event saw enthusiastic participation of pharmacists, healthcare professionals, students, and community members. Notable speakers and experts from the pharmaceutical field shared insights and experiences.

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

Impact

The event successfully increased public awareness of the vital contributions pharmacists make to healthcare systems. It also strengthened professional networks, fostering a spirit of collaboration and mutual support among healthcare providers.

Conclusion

World Pharmacists Day effectively showcased the indispensable role of pharmacists, enhancing appreciation for their work. It provided valuable insights into the evolving field of pharmacy and encouraged ongoing support and collaboration within the healthcare community. Future events should continue to build on this success, expanding outreach and involving more community members to further amplify the impact and support for pharmacists.

This celebration underscored the importance of pharmacists in achieving positive health outcomes and highlighted the need for continuous education and collaboration in the healthcare sector.

Report on Visit to Orphanage by Students of Innovative college of pharmacy

Date: 15th May, 2024

Introduction: On 15th May, 2024 a group of students from the Innovative college of pharmacy embarked on a visit to the orphanage in delta-1 metro station, Greater Noida. The visit aimed to engage with the children at the orphanage, provide them with companionship, and contribute to their overall well-being.

Objectives:

1. To engage with the orphanage's residents and gain insight into their needs and struggles.
2. To spend quality time with the kids, doing different things to make them feel better.
3. To provide resources and necessities to the orphanage in order to meet their immediate needs.
4. To help pupils develop a social consciousness, empathy, and compassion for under-represented groups.

Activities: Upon reaching the orphanage, the students were warmly welcomed by the caretakers and the children. The day's itinerary included a range of activities designed to create a joyful and memorable experience for everyone involved. These activities included:

1. **Interactive Sessions:** Students spoke casually with the kids, finding out about their interests, pastimes, and goals. This promoted rapport-building and a welcoming environment.
2. **Art and Craft Workshops:** Students and kids worked together on a variety of art and craft projects during creative sessions. This gave the kids a platform for self-expression and highlighted their creative abilities.

3. **Sports and Games:** Teamwork, sportsmanship, and physical activity were promoted through planned outdoor games and sports activities. Students engaged in direct participation with the children, promoting a feeling of solidarity.

4. **Educational Sessions:** Educational seminars covering subjects including health consciousness, personal cleanliness, and the value of education were conducted. Students imparted insightful knowledge and useful advice with the goal of empowering the kids with awareness and knowledge.

5. **Distribution of Gifts:** In an act of kindness, the students donated necessities to the orphanage, including clothing, books, stationery, and toiletries. The kids and the carers both agreed and expressed gratitude for their contributions.

Outcomes: The visit to the orphanage proved to be a fulfilling and enriching experience for both the students and the children. Some notable outcomes include:

1. **Friendship and Bonding:** The students and the kids developed deep bonds that promoted a feeling of camaraderie and friendship.

2. **Joy and Happiness:** Despite the children's everyday routines, the day's events made them smile and provided them with moments of joy and happiness.

3. **Sensitisation and Awareness:** Students developed a greater comprehension of the difficulties orphaned children encounter as well as the significance of showing compassion and understanding to underprivileged groups.

4. **Community Engagement:** The tour demonstrated the institute's dedication to community service and gave students a direct chance to improve the lives of others.

Conclusion: The Innovative College of Pharmacy students' visit to the orphanage on 4th December, 2023 was a great success and left a lasting impression on everyone who took part. The children showed their understanding, compassion, and dedication to social responsibility through deep conversations, interesting activities, and sincere contributions. These kinds of projects not only improve the lives of those they assist, but they also provide participants a feeling of fulfilment and purpose. The institute is committed to improving the lives of those in need and developing a culture of service going forward.

NOTICE

Dear all students and esteemed faculty,

We are pleased to announce that the Innovative college of pharmacy are organizing world environment day on 5th June 2024. This global event aims to raise awareness and encourage action for the protection of our environment. We have organized a series of activities designed to promote sustainability and environmental stewardship. The celebration will begin at 10:00 AM on the college ground, where we will kick off the event with a tree-planting ceremony. Let's come together to celebrate World Environment Day and make a positive impact on our environment. Your presence and participation will significantly contribute to raising awareness and inspiring action within our community.

Report on World Environment Day

Introduction

On 05 June 2024 Innovative College of Pharmacy organized World Environment Day which is the United Nations' principal vehicle for encouraging worldwide awareness and action for the protection of the environment. Since its inception in 1974, the day has grown to become a global platform for public outreach, with participation from over 150 countries.

Significance

Environmental Awareness: The day aims to raise awareness about pressing environmental issues such as pollution, global warming, sustainable consumption, and wildlife conservation.

Policy Influence: World Environment Day has become a platform for encouraging global governments, organizations, and individuals to take actions that help protect the environment.

Public Engagement: It serves as a day to engage the public in environmental advocacy, promoting sustainable living and highlighting the importance of individual actions in preserving the planet.

Celebrations

Global Events: World Environment Day is marked by activities around the world, including clean-up campaigns, tree planting, environmental workshops, and educational activities.

Government and NGO Initiatives: Various governments and non-governmental organizations (NGOs) organize events and launch initiatives to address specific environmental issues.

Media Campaigns: Extensive media campaigns are run to spread awareness about the theme of the year and the actions individuals and communities can take to contribute to environmental protection.

Corporate Participation: Many businesses also participate by organizing environmentally friendly activities, launching green initiatives, and encouraging sustainable practices within their operations.

Impact:

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

Increased Awareness: The day has significantly increased global awareness about environmental issues, leading to a more informed and engaged public.

Policy Changes: It has influenced policy changes and the implementation of environmental regulations and conservation efforts worldwide.

Grassroots Movements: World Environment Day has spurred grassroots movements and local initiatives that contribute to environmental protection and sustainability.

Corporate Responsibility: The day has also encouraged greater corporate responsibility and the adoption of sustainable business practices.

Conclusion:

World Environment Day serves as a crucial reminder of the need to protect and preserve our environment. It highlights the interconnectedness of human actions and the natural world, promoting collective responsibility and action towards a sustainable future. Through global participation and advocacy, World Environment Day continues to inspire change and foster a deeper commitment to environmental stewardship.

REPORT

Blood Donation Camp at Innovative college of pharmacy

The Blood Donation Camp organized by the Innovative college of pharmacy on **April 19th 2024**, was met with overwhelming participation and enthusiasm from students, faculty, staff, and members of the community. The camp aimed to promote voluntary blood donation and contribute to the noble cause of saving lives.

Activities and Highlights:

- 1. Voluntary Blood Donation:** The push for voluntary blood donations was the event's main attraction. Donors showed their dedication to aiding the underprivileged by stepping forward to donate blood, including community people, teachers, workers, and students. Blood donations are much appreciated and will help patients in hospitals and other medical facilities a great deal.
- 2. Medical Check-up:** To guarantee their eligibility and the security of both donors and recipients, all possible donors received a comprehensive medical check prior to donating blood. The examination was performed by medical specialists, who reassured and counselled donors as needed.
- 3. Refreshments:** As a thank you for their altruistic act of blood donation, refreshments were given to each and every donor. The area for refreshments functioned as a place for donors.

Impact and Outcomes:

The Innovative college of pharmacy Blood Donation Camp significantly contributed to the public's understanding of the value of voluntary blood donation. Through the mobilisation of the Institute community and surrounding community, the event was able to increase the supply of blood and maybe save many lives.

As campers banded together to support a shared cause, the camp also promoted a culture of compassion and unity. It inspired people to see the worth of their work and the beneficial effects it can have on other people.

Conclusion:

The Innovative college of pharmacy's Blood Donation Camp was a huge success because of everyone's hard work and encouragement. The occasion demonstrated the Institute's dedication to community involvement and social responsibility. It came to an end on a positive note, with participants departing feeling proud of their part in saving lives and fulfilled.

REPORT

Awareness on Digital India

Date: 7th March 2024

Venue: Innovative college of pharmacy

On 7th March 2024, Innovative college of pharmacy successfully organized an **Awareness on Digital India**, in line with the objectives outlined in the prior notice. The event aimed to promote awareness and understanding of the Digital India initiative among students, faculty, and the wider community.

At 9:00 am, the awareness program started in college campus and all the Students, teachers, and staff joyfully gathered, dressed in apparel that embodied the idea of digital empowerment. The rally route was carefully designed to provide maximum outreach and visibility by passing through important localities.

Participants carried banners, placards, and posters during the march, promoting e-governance, digital literacy, and the revolutionary potential of technology. Chants and slogans reverberated across the streets, drawing onlookers' and passersby's attention as they successfully spread the message of Digital India.

Participants from a wide range of age groups and backgrounds actively participated in the event, demonstrating the broad applicability and significance of the Digital India program. Participants shared their experiences and thoughts about digital empowerment and its effects on society during thoughtful conversations and exchanges.

The rally was marked by a strong sense of solidarity and passion, which served to strengthen the group's resolve to embrace and utilise modern technology for inclusive growth and development. At the end of the event, everyone gathered for a little moment of contemplation and gratitude for the rally's successful execution.

Report on Annapoorna Yojana Event

Organized by Innovative college of pharmacy

Date: 24th April 2024

Introduction: The Annapoorna Yojana event organized by the Innovative college of pharmacy aimed to address the prevalent issue of food insecurity and malnutrition in our society. It was held on the 24th April 2024, with the noble intention of providing nutritious meals to the underprivileged sections of the community.

Objective: The main aim of the Annapoorna Yojana initiative was to mitigate hunger and malnourishment among the underprivileged segments of the population. The event's goal was to guarantee that no one in the neighbourhood goes to bed hungry by offering free, nutritious meals.

Activities: The Innovative college of pharmacy instructors and students greeted everyone in attendance with warmth during the event's inaugural ceremony. A succinct overview of the Annapoorna Yojana initiative and its importance in tackling food insecurity came next. A committed group of volunteers, including staff and students, put in a great deal of effort to prepare and serve wholesome meals to the guests. The menu featured a wide range of foods that were thoughtfully chosen to accommodate the nutritional needs of people with different backgrounds.

The event also included educational seminars on the significance of eating a balanced diet and practicing good eating habits. Prominent nutritionists and specialists were invited to impart their wisdom to the audience, highlighting the importance of a balanced diet for general health and wellbeing.

Impact: The community was greatly impacted by the Annapoorna Yojana event, as hundreds of people, including elderly people, children, and those from low-income families, benefited from

INNOVATIVE COLLEGE OF PHARMACY

the wholesome meals that were served. The occasion was a timely reminder of the value of empathy and teamwork in tackling societal problems like starvation and malnourishment.

Additionally, the educational seminars held during the event assisted in increasing guests' understanding of the need of adopting good eating practices and being nutritionally literate. They were then able to make knowledgeable decisions about their nutrition and way of life as a result.

Conclusion: In conclusion, Thanks to the combined efforts of all those engaged, the Innovative College of Pharmacy's Annapoorna Yojana event was a huge success. The program demonstrated the institute's dedication to social welfare and community service by providing assistance to the less fortunate members of society and stressing the value of nutrition. It is anticipated that projects like this will keep inspiring good change and cultivate a generous and empathetic culture in our society.

Report on International Yoga Day

Introduction

On **21 June 2024** Innovative college of pharmacy organized International Yoga Day, observed every year on June 21st, celebrates the physical, mental, and spiritual benefits of practicing yoga. Established by the United Nations in 2014 and first celebrated in 2015, this day promotes global awareness of yoga's positive impact on health and well-being.

History

The initiative for International Yoga Day was proposed by Indian Prime Minister Narendra Modi at the United Nations General Assembly in 2014. His suggestion was met with overwhelming support, with 177 member states co-sponsoring the resolution. June 21st was chosen for its significance as the longest day of the year in the Northern Hemisphere, a day that holds special meaning in many parts of the world.

Significance

Yoga, an ancient practice originating in India, combines physical postures, breathing exercises, and meditation. It is celebrated worldwide for its benefits, which include improved flexibility, reduced stress, enhanced mental clarity, and a sense of peace and well-being. The day also highlights the cultural heritage of yoga and promotes a healthy lifestyle in harmony with nature.

Celebrations

International Yoga Day is marked by a variety of events, including mass yoga sessions, workshops, and demonstrations held in cities and communities worldwide. These events, often led by experienced yoga instructors, are attended by people of all ages and skill levels. Due to the COVID-19 pandemic, many activities have also moved online, allowing even broader participation.

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

Impact

The celebration of International Yoga Day has greatly increased global awareness of yoga and its benefits. It has encouraged many individuals to incorporate yoga into their daily routines, fostering physical fitness and mental well-being. The day also promotes cultural exchange, bringing together people from different backgrounds to celebrate a shared interest in health and mindfulness.

Conclusion

International Yoga Day is a global celebration of the ancient practice of yoga and its benefits. It encourages people worldwide to engage in yoga, promoting a holistic approach to health and well-being. The day is a reminder of the importance of maintaining a healthy lifestyle and the universal appeal of yoga as a tool for achieving balance and peace in life.
