Report on Seminar

Topic: "Maintaining Objectivity: Dealing with Personal Bias in Research"

Date: 15-02-2023

Venue: Seminar Hall

Speaker: Dr. Sanjay Kumar Yadav

Introduction: On 15th February 2023, a seminar titled "Maintaining Objectivity: Dealing with Personal Bias in Research" was conducted by Dr. Sanjay Kumar Yadav, an expert in research methodologies and ethics. The seminar was attended by 20 participants, including researchers, academics, and students from various fields.

Seminar Highlights:

- Define objectivity in the context of research.
- Identify common sources of personal bias in research.
- Discuss strategies to mitigate personal bias.
- Present case studies illustrating the impact of bias on research outcomes.

Conclusion

The seminar on "Maintaining Objectivity: Dealing with Personal Bias in Research" provided valuable insights into the importance of objectivity in research and the various ways personal bias can influence outcomes. The discussion underscored the need for awareness, methodological rigor, and collaborative efforts to mitigate bias and ensure the integrity of research. Participants left with a deeper understanding of the challenges posed by personal bias and equipped with practical strategies to maintain objectivity in their research endeavors.
