INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

Ref. No. I.C.P./2022-23/01-MOU-007

Dated 19-Jan-2023

MEMORANDUM OF UNDERSTANDING (MOU)

Between

Innovative College of Pharmacy
Plot No. 6, Knowledge Park II,
Greater Noida (UP-201310)
(Hereinafter referred to as "ICP")

And

Vinayaka College of Pharmacy
Vill.- Bahuguna, Post- Garsa,
Tehsil- Bhuntar, Distt.- Kullu,
Himachal Pradesh- 175141
(Hereinafter referred to as "VCP")

Purpose

The purpose of this Memorandum of Understanding (MOU) is to establish a collaborative framework for cooperation between ICP and VCP in the field of pharmacy education, research, and community service. This MOU outlines the terms and conditions under which both institutions will collaborate to advance mutual goals and enhance the quality of pharmacy education and practice.

Scope of Cooperation

1. Academic Collaboration:

- o Joint development of academic programs and curricula.
- o Exchange of faculty members for teaching and research purposes.
- o Organization of joint workshops, seminars, and conferences.

2. Research Collaboration:

- o Joint research projects and publications in the field of pharmacy.
- o Exchange of research materials and resources.
- o Collaboration on grant applications and funding opportunities.

3. Student Exchange and Internships:

- o Facilitation of student exchange programs between ICP and VCP.
- o Opportunities for internships and practical training in each institution.
- o Joint development of student mentorship and career guidance programs.

Plot No. - 6, Knowledge Park - 2, Greater Noida, U. P. - 201308. (Near Knowledge Park - 2 Metro Station)
Ph: 0120-2328555 | Website - www.innovativepharmacy.in | E-mail: innovativepharmacy01@gmail.com

4. Community Engagement:

- o Collaborative community outreach and health awareness programs.
- o Joint organization of health camps and pharmaceutical care initiatives.

Roles and Responsibilities

1. Innovative College of Pharmacy (ICP):

- o Provide support for faculty and student exchanges.
- o Facilitate access to research facilities and resources.
- o Organize and host collaborative academic and research events.

2. Vinayaka College of Pharmacy (VCP):

- o Support ICP's initiatives in the region of Himachal Pradesh.
- o Facilitate collaboration in community service and outreach programs.
- o Provide access to local research opportunities and resources.

Duration and Review

This MOU will be effective from the date of signing and will remain in force for a period three years, unless terminated earlier by mutual written agreement. The MOU will be reviewed annually to assess the progress and effectiveness of the collaboration.

Amendments and Termination

Any amendments to this MOU must be made in writing and signed by authorized representatives of both ICP and VCP. Either party may terminate this MOU with 30 days written notice to the other party.

Confidentiality

Both parties agree to maintain the confidentiality of any proprietary or confidential information exchanged during the collaboration.

Report on Seminar

Topic: "Consumer Guide to Over-the-Counter Medicines: Choosing Wisely"

Date: 28-11-2023

Venue: Seminar Hall

Speaker: Ms. Jaya Bhati

Introduction

In today's fast-paced world, over-the-counter (OTC) medicines provide a convenient way to manage common health issues such as pain, allergies, and digestive problems. However, the ease of access to these medications can sometimes lead to misuse or unsafe practices. This seminar aims to guide consumers on how to choose OTC medicines wisely, ensuring both efficacy and safety in their use.

Understanding Over-the-Counter Medicines

OTC medicines are those available without a prescription and are designed to treat a range of symptoms and conditions. They fall into several categories:

1. **Analgesics:** These include pain relievers like acetaminophen and ibuprofen, which are used to alleviate pain and reduce fever.
2. **Antihistamines:** Medications such as loratadine and diphenhydramine help relieve allergy symptoms.
3. **Cough and Cold Remedies:** Products like dextromethorphan and guaifenesin are used to treat coughs and other cold symptoms.

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

4. **Digestive Aids:** These include antacids and laxatives that assist with gastrointestinal discomfort.
5. **Topical Products:** Creams and ointments, such as hydrocortisone and antibiotic ointments, are used for localized treatments.

Factors to Consider When Choosing OTC Medicines

1. **Identifying Symptoms and Conditions:**
2. **Reading Labels:**
3. **Special Considerations:**
 - o **Age:** Dosages for children and elderly individuals often differ from those for adults. It's vital to follow age-specific guidelines.
 - o **Health Conditions:** People with chronic conditions or those taking other medications should be cautious of potential interactions. Consulting with a healthcare provider can help mitigate risks.

Risks and Safety Precautions

The misuse of OTC medicines can lead to various risks:

- **Overuse:** Taking more than the recommended dose can lead to serious health issues, including liver damage from acetaminophen or gastrointestinal problems from NSAIDs.
- **Side Effects:** Every medication has potential side effects. For example, some antihistamines can cause drowsiness, while certain cough medicines may lead to gastrointestinal issues.
- **Interactions:** Combining OTC medicines with other drugs can lead to adverse reactions. For instance, taking multiple products containing similar active ingredients can result in an overdose.

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

To minimize risks, consumers should:

- **Follow Dosage Instructions:**
- **Seek Professional Advice:** Making Informed Decisions

Conclusion

While OTC medicines offer a convenient solution for managing common health issues, it is essential to choose them wisely to ensure their safety and effectiveness. By understanding the different types of OTC medicines, reading labels carefully, and seeking professional advice when necessary, consumers can make informed decisions that contribute to their overall well-being. Making informed choices helps in avoiding potential risks and optimizing the benefits of OTC medicines.

1. Purpose

The purpose of this Memorandum of Understanding (MOU) is to establish a framework for collaboration between Innovative College of Pharmacy and Milestone Institute of Professional Studies to advance educational, research, and professional development opportunities in the field of pharmacy and related disciplines.

2. Objectives

The primary objectives of this MOU are:

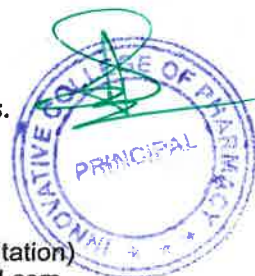

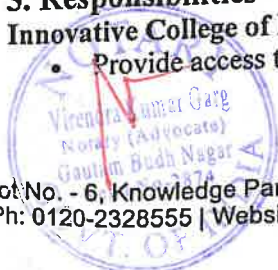

- **Joint Educational Programs:** To develop and implement joint educational programs and courses that benefit students from both institutions.
- **Research Collaboration:** To engage in collaborative research projects that advance knowledge and innovation in pharmacy and related fields.
- **Faculty and Student Exchange:** To facilitate the exchange of faculty and students to enrich academic and professional experiences.
- **Resource Sharing:** To share resources and facilities to enhance educational and research outcomes.
- **Professional Development:** To organize workshops, seminars, and conferences to foster professional growth and development.

3. Responsibilities

Innovative College of Pharmacy agrees to:

- Provide access to its facilities and resources for collaborative projects and programs.

Plot No. - 6, Knowledge Park - 2, Greater Noida, U. P. - 201308. (Near Knowledge Park - 2 Metro Station)

- Share expertise and contribute to the development and implementation of joint programs.
- Facilitate the exchange of faculty and students according to the agreed-upon terms.

Milestone Institute of Professional Studies agrees to:

- Provide access to its facilities and resources for joint activities and projects.
- Share its expertise and contribute to the joint programs and initiatives.
- Facilitate the exchange of faculty and students as mutually agreed upon.

4. Governance and Management

Both parties will be established to oversee the implementation of this MOU. They will be responsible for:

- Planning and coordinating joint activities.
- Monitoring progress and evaluating the outcomes of collaborative efforts.
- Resolving any issues that may arise during the course of this MOU.

5. Duration and Termination

This MOU will be effective from the date of signing and will remain in force for a period of five (5) years. It may be extended by mutual written agreement of both parties. Either party may terminate this MOU by providing six (6) months written notice to the other party.

6. Confidentiality

Both parties agree to maintain the confidentiality of any proprietary or sensitive information exchanged during the course of this collaboration.

7. Amendments

Any amendments to this MOU must be made in writing and signed by authorized representatives of both parties.

8. Legal and Financial Considerations

This MOU is intended to outline the mutual intentions and understandings of the parties. It does not create any legally binding obligations or financial commitments. Any financial or legal obligations will be addressed in separate agreements.

MEMORANDUM OF UNDERSTANDING

BETWEEN

Innovative College of Pharmacy And Ideal Public School

This Agreement was made and entered into on 21st June, 2023, between

Innovative College of Pharmacy

Innovative College of Pharmacy situated at Plot No. 6, Knowledge Park II, Greater Noida
(UP-201310)

Ideal Public School

Ideal Public School situated Kanchan Vihar Kulesra, Greater Noida

1. DURATION OF THE MOU: 2 Years
2. NATURE OF THE MOU: CULTURAL & SPORTS
3. OBJECTIVES OF THE MOU:

3.1: The objective of this Memorandum of Understanding is to provide Value added course.

- **Exchange Events:** Organizations can organize events where students from each organization share aspects of their culture, such as food, music, dance, and traditional attire. This can be a great way to celebrate diversity and promote understanding between different communities. Organizations can facilitate joint work on Health care awareness, Education and Environmental protection.
- **Intercollegiate Competitions:** Organizing competitions in areas like debating, quiz contests, drama, or sports can bring students from both organizations together in a spirit of healthy competition. It encourages teamwork, skill development, and friendly rivalry.
- **Cultural Festivals:** Co-hosting a cultural festival where both organizations showcase their talents in music, dance, drama, and other performing arts can create a vibrant atmosphere of creativity and celebration. It's a chance for students to shine and for the wider community to appreciate their talents

4. ICP will provide
 - Seating space for the students
 - Projector connected with PC

5. **FORCE MAJEURE**

If at any time, during the validity of this Agreement, the performance in whole or in part, by other party, of any obligation under this is prevented or delayed, by reasons of war, or hostility, acts of public enemy, civic commotion, sabotage, act of state or direction from statutory authority, explosion, epidemic, quarantine restriction, strikes and lockouts, fire, floods, natural calamities or any act of God (hereinafter referred to as event), provided notice of happenings of any such events is given by the effected party to the other, within 7 calendar days from the date of occurrence thereof, neither party shall, by reasons of such events, be entitled to terminate the Agreement, nor shall other-party have any such claims for damages against the other, in respect of such non-performance or delay in performance. Provided service under the MOU shall be resumed as soon as practicable, after such event comes to an end or ceases to exist.

6. **COMPLIANCE OF LAWS**

Both the organizations shall perform their roles in strict compliance with all applicable laws in India along with rules and regulations of the Government as applicable.

7. **CONFIDENTIALITY**

The parties agree to keep the Agreement in the strict confidence and not disclose to any third party or use for any purpose (other than in connection with this MOU) any information relating to the other's business which is marked "Confidential".

This MOU is executed in two counterparts each of which shall be deemed original but shall together constitute one document only.

Report on International Yoga Day

Introduction

On **21 june 2023** Innovative college of pharmacy organized International Yoga Day, observed every year on June 21st, celebrates the physical, mental, and spiritual benefits of practicing yoga. Established by the United Nations in 2014 and first celebrated in 2015, this day promotes global awareness of yoga's positive impact on health and well-being.

History

The initiative for International Yoga Day was proposed by Indian Prime Minister Narendra Modi at the United Nations General Assembly in 2014. His suggestion was met with overwhelming support, with 177 member states co-sponsoring the resolution. June 21st was chosen for its significance as the longest day of the year in the Northern Hemisphere, a day that holds special meaning in many parts of the world.

Significance

Yoga, an ancient practice originating in India, combines physical postures, breathing exercises, and meditation. It is celebrated worldwide for its benefits, which include improved flexibility, reduced stress, enhanced mental clarity, and a sense of peace and well-being. The day also highlights the cultural heritage of yoga and promotes a healthy lifestyle in harmony with nature.

Celebrations

International Yoga Day is marked by a variety of events, including mass yoga sessions, workshops, and demonstrations held in cities and communities worldwide. These events, often led by experienced yoga instructors, are attended by people of all ages and skill levels. Due to the COVID-19 pandemic, many activities have also moved online, allowing even broader participation.

Impact

The celebration of International Yoga Day has greatly increased global awareness of yoga and its benefits. It has encouraged many individuals to incorporate yoga into their daily routines, fostering physical fitness and mental well-being. The day also promotes cultural exchange.

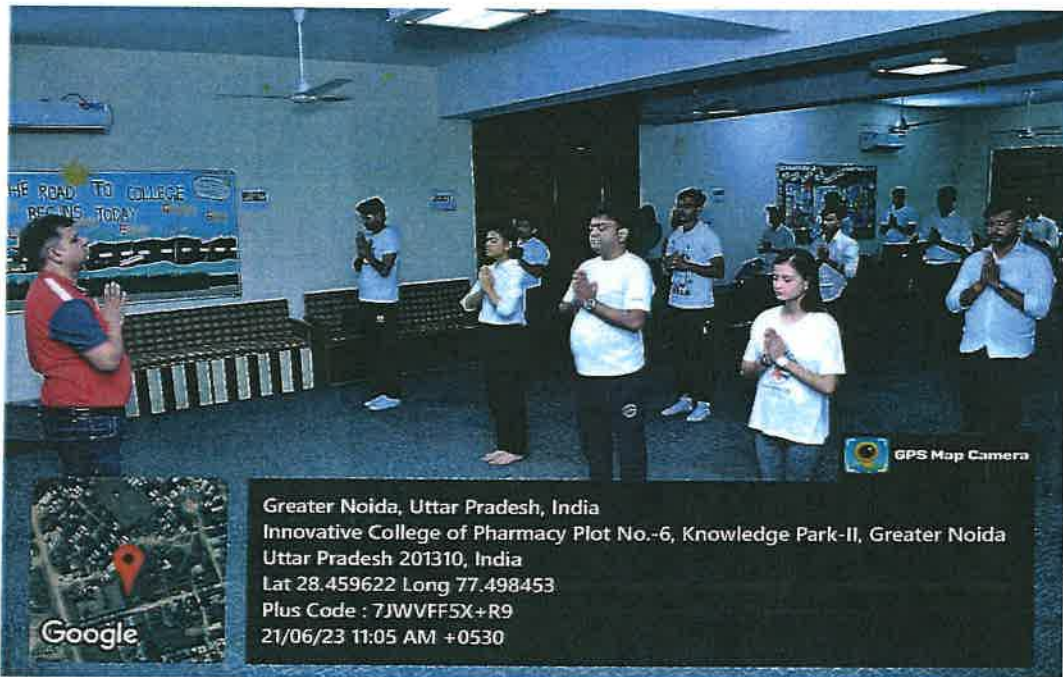

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

bringing together people from different backgrounds to celebrate a shared interest in health and mindfulness.

Conclusion

International Yoga Day is a global celebration of the ancient practice of yoga and its benefits. It encourages people worldwide to engage in yoga, promoting a holistic approach to health and well-being. The day is a reminder of the importance of maintaining a healthy lifestyle and the universal appeal of yoga as a tool for achieving balance and peace in life.

Yoga is an internal practice
