Dated 18/01/24

MEMORANDUM OF UNDERSTANDING

BETWEEN

Innovative College of Pharmacy and Spectrum Institute of Pharmaceutical Science & Research

This Agreement was made and entered into on 18/01/2024

Between

Innovative College of Pharmacy

Innovative College of Pharmacy situated at Plot No. 6, Knowledge Park II, Greater Noida (UP-201310)

Spectrum Institute of Pharmaceutical Science & Research

Spectrum Institute of Pharmaceutical Science & Research situated at 20-21, nr. Kailash Hospital, Knowledge Park I, Greater Noida, Uttar Pradesh 201309

ABOUT Memorandum of Understanding (MoU)

This MoU is for Academic, Cultural, Sports, Extra Curricular Exchange Program, Skill Development, Out Come Based Training, Placement & related services. Both parties agree to join hands and carry out collaborative research work by faculty and students. Both will enter into joint research and development activities by initiating writing of Detailed Project Report (DPR) and submission of the project related to pharmacy department.

OBJECTIVE OF CO-OPERATION

The objective of this Memorandum of Understanding (MoU) is to cooperate in educational projects in areas of mutual interest. The purpose of the MoU is to develop co-operation and promote mutual understanding and excellence in practice-based education, research and knowledge

exchange between the parties, so that the research and knowledge developed is used for further research and its application at regional, national and global level.

SCOPE OF CO-OPERATION

The Parties agree to implement cooperation programs including but not limited to:

- 1. Exchange on best practices.
- 2. Faculty and student exchanges.
- 3. Curriculum Development.
- 4. Skills based certification courses that are left to the choice of the two parties.
- 5. Other areas as mutually agreed upon by the Parties.

Based on the principles of equality, reciprocity, and mutual benefit, **Innovative College of Pharmacy** situated at Plot No. 6, Knowledge Park II, Greater Noida and its **Spectrum Institute of Pharmaceutical Science & Research** situated at 20-21, nr. Kailash Hospital, Knowledge Park I, Greater Noida, Uttar Pradesh 201309 hereby agree to explore the following avenues of educational exchange:

- 1. Student exchange program.
- 2. Curriculum development and offering specially designed programs of study.
- 3. Collaborative Research projects.
- 4. Promoting and encouraging joint research projects and other scholarly co-operation, particularly on Sustainable Development, Medicinal Plants, Environment and other areas as decided from time to time.
- 5. Development of research/academic activities in key areas.
- 6. Initiating activities to run innovative interdisciplinary courses.
- 7. Events collaboration to accelerate entrepreneurship and innovation.
- 8. Joint Incubation Program.
- 9. Conducting workshop and training to students and faculty.
- 10. Academic leadership & Innovation.
- 11. Pursuing other mutually advantageous undertaking.

NOTICE

Dear all students and esteemed faculty

Innovative College of pharmacy is pleased to announce a **Awareness Campaign on Women safety and security scheduled for February 16, 2024**. We are enhancing measures to ensure the safety and security of women in our community. Key initiatives include improved lighting, increased security patrols, and surveillance cameras. Confidential reporting mechanisms and counseling services are available for those affected by harassment or abuse. We encourage community involvement through bystander intervention and neighborhood watch programs. Your cooperation is vital in creating a safe environment for all.

Report on Women Safety and Security

Date: 16th February 2024

Introduction

Ensuring the safety and security of women is a paramount concern in our community. This report aims to evaluate current safety measures, identify areas for improvement, and propose comprehensive strategies to enhance the security and well-being of women.

Current Safety Measures

1. Emergency Contacts:

- Local Police Station Contact Number
- Women's Helpline Number
- Emergency Services Contact Number

2. Infrastructure:

- **Lighting:** Implementation of well-lit public spaces, pathways, and parking lots.
- **Security Patrols:** Regular security patrols, especially during late hours.
- **Surveillance Cameras:** Installation of surveillance cameras in strategic locations to monitor activities and deter criminal behavior.

3. Programs and Workshops:

- **Self-Defense Classes:** Regularly organized self-defense training sessions.
- **Safety Workshops:** Workshops aimed at educating women on personal safety and security measures.
- **Awareness Campaigns:** Campaigns to raise awareness about women's safety issues and available resources.

4. Support Systems:

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

- **Reporting Mechanisms:** Confidential and accessible channels for reporting incidents of harassment or abuse.
- **Counseling Services:** Availability of counseling and support services for victims.
- **Support Groups:** Formation of community support groups for mutual support and experience sharing.

Areas for Improvement

1. Infrastructure Enhancements:

- Expand the installation of surveillance cameras to cover more areas.
- Improve the maintenance and reliability of street lighting.

2. Program Expansion:

- Increase the frequency and reach of self-defense classes and safety workshops.
- Enhance the visibility and accessibility of awareness campaigns.

3. Support System Strengthening:

- Develop more robust and user-friendly reporting mechanisms.
- Provide additional resources for counseling services to handle a larger number of cases.

4. Community Involvement:

- Encourage greater participation in neighborhood watch programs.
- Promote bystander intervention training to empower community members to act.

Proposed Strategies

1. Enhanced Surveillance:

- Increase the number of surveillance cameras and ensure they are monitored in real-time.
- Implement advanced technology, such as facial recognition, to identify and track offenders.

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

2. Training and Education:

- Partner with local organizations to provide regular training sessions on personal safety and self-defense.
- Integrate safety education into school curricula to raise awareness from a young age.

3. Policy Development:

- Develop and enforce policies that promote gender equality and prevent discrimination.
- Establish clear guidelines for handling harassment and abuse cases within the community.

4. Community Engagement:

- Foster a culture of vigilance and mutual support through regular community meetings and events.
- Utilize social media and other communication platforms to keep the community informed and engaged.

Conclusion

Creating a safe and secure environment for women is a collective responsibility. By enhancing current measures, addressing areas for improvement, and implementing comprehensive strategies, we can ensure that our community is a place where women feel safe, respected, and valued. Continuous effort and cooperation from all community members are essential in achieving this goal.

NOTICE

Dear Students,

We are pleased to announce that the students of Innovative college of pharmacy are organizing a **Health Camp on 14th June 2022**. This initiative aims to promote health and safety awareness among our campus community and equip everyone with basic first aid skills.

We extend our gratitude to the faculty and administration for their support in organizing this camp. Let us come together to make this initiative a success and promote a culture of safety and preparedness within our campus community.

Report: Health Camp

Introduction: On June 14th, 2022 a first aid camp was organized at innovative college of pharmacy, with the aim of providing basic medical assistance and education to the community. The event was organized by Innovative college of pharmacy.

Objective : The main goals of the first aid camp were to teach attendees the fundamentals of first aid, increase public awareness of emergency response, and offer emergency medical care to those in need.

Venue : The camp was held at innovative college of pharmacy, a community hub that is easily accessible. It was picked because it was convenient and had enough room for both athletes and medical staff.

Activities:

1. **First Aid Training Sessions:** Interactive training courses on fundamental first aid skills, including CPR, wound treatment, choking relief, and fracture stabilisation, were led by certified medical professionals. It was encouraged of participants to actively participate in demonstrations and to ask questions.
2. **Demonstrations:** First aid procedures were demonstrated in real time, giving participants the chance to see and practise under supervision. This practical method helps solidify knowledge and boost self-assurance when using first aid techniques.
3. **Medical Check-ups:** A special space was reserved for medical examinations, where participants may speak with medical experts about any questions or concerns they may have had about their health. There were blood pressure checks, glucose tests, and overall health evaluations offered.

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

4. **Distribution of First Aid Kits:** Each attendee was given a free first aid kit that included necessary items like gloves, bandages, adhesive tape, antiseptic wipes, and scissors. There were instructions on how to utilise each item efficiently demonstrated.
5. **Emergency Response Drill:** Participants' reactions to various medical emergencies were tested in a simulated emergency scenario. Through this activity, their capacity to administer first aid in practical settings was evaluated, and areas requiring development were noted.

Outcome: People from a variety of age groups and backgrounds attended the first aid camp. Participants expressed great pleasure with the training sessions and hands-on demos in their feedback. Many expressed gratitude for the chance to engage with healthcare professionals in a supportive setting and acquire life-saving techniques.

Conclusion: The first aid camp, which took place on December 20, 2021, was a huge success and achieved its goals of giving the community access to medical care, educating people about emergency response, and imparting useful first aid knowledge. The occasion gave attendees the tools to take proactive measures to protect their own and others' health, as well as a reminder of how important it is to be ready to manage medical emergencies.

Recommendations:

1. Organize regular first aid camps to reinforce learning and reach a wider audience.
2. Collaborate with local schools, community centers, and businesses to promote first aid awareness and training.
3. Incorporate advanced first aid techniques and specialized training for specific emergencies in future camps.
4. Collect feedback from participants to continually improve the quality and effectiveness of first aid training programs.

Ref. No. I.C.P./2023-24/11 - MOU

Dated. 06-11-2023

MEMORANDUM OF UNDERSTANDING (MOU)

Between

Innovative College of Pharmacy

Plot No. 6, Knowledge Park II,

Greater Noida (UP-201310)

And

Dr. Ram Manohar Lohia College of Pharmacy (Dr. RMLCP)

Sikri, Modinagar,

UP-201204

Purpose

The purpose of this Memorandum of Understanding (MOU) is to establish a collaborative framework for cooperation between ICP and Dr. RMLCP in the field of pharmacy education, research, and community service. This MOU outlines the terms and conditions under which both institutions will collaborate to advance mutual goals and enhance the quality of pharmacy education and practice.

Scope of Cooperation

1. Academic Collaboration:

- Joint development of academic programs and curricula.
- Exchange of faculty members for teaching and research purposes.
- Organization of joint workshops, seminars, and conferences.

2. Research Collaboration:

- Joint research projects and publications in the field of pharmacy.
- Exchange of research materials and resources.
- Collaboration on grant applications and funding opportunities.

3. Student Exchange and Internships:

- Facilitation of student exchange programs between ICP and Dr. RMLCP.
- Opportunities for internships and practical training in each institution.
- Joint development of student mentorship and career guidance programs.

4. Community Engagement:

- Collaborative community outreach and health awareness programs.
- Joint organization of health camps and pharmaceutical care initiatives.

Ph: 0120-2328555 | Website - www.innovativepharmacy.in | E-mail: innovativepharmacy01@gmail.com

Roles and Responsibilities

- 1. Innovative College of Pharmacy (ICP):**
 - Provide support for faculty and student exchanges.
 - Facilitate access to research facilities and resources.
 - Organize and host collaborative academic and research events.
- 2. Dr. Ram Manohar Lohia College of Pharmacy (Dr. RMLCP):**
 - Support ICP's initiatives in the region of Pharmaceutical Industrial Visit.
 - Facilitate collaboration in community service and outreach programs.
 - Provide access to local research opportunities and resources.

Duration and Review

This MOU will be effective from the date of signing and will remain in force for a period three years, unless terminated earlier by mutual written agreement. The MOU will be reviewed annually to assess the progress and effectiveness of the collaboration.

Amendments and Termination

Any amendments to this MOU must be made in writing and signed by authorized representatives of both ICP and Dr. RMLCP. Either party may terminate this MOU with 30 days written notice to the other party.

Confidentiality

Both parties agree to maintain the confidentiality of any proprietary or confidential information exchanged during the collaboration.

Report on Seminar

Topic: "Global Entrepreneurship: Navigating International Markets"

Date: 18-03-2024

Venue: Seminar Hall

Speaker: Mr. Qumre Alam

Introduction: Global entrepreneurship involves identifying, assessing, and exploiting opportunities in international markets. This seminar focuses on equipping entrepreneurs with the knowledge and skills needed to navigate the complexities of global markets and successfully expand their businesses beyond domestic borders.

Seminar Highlights:

- To understand the dynamics of global markets.
- To explore strategies for entering and succeeding in international markets.
- To discuss the challenges and opportunities of global entrepreneurship.
- To provide practical tips and best practices for navigating international markets.

Conclusion

Global entrepreneurship presents both challenges and opportunities for businesses seeking to expand their reach and influence. By conducting thorough market research, understanding cultural differences, and adopting effective entry strategies, entrepreneurs can navigate international markets successfully. Continuous learning and adaptation are crucial for long-term success in the global marketplace.

Report on Seminar

Topic: The Value of Blood Donation: A Lifesaving Gift

Date: 18-09-2021

Venue: Seminar Hall

Speaker: Dr. Manju Gupta

Introduction: an esteemed hematologist and advocate for blood donation, delivered an inspiring seminar titled "The Value of Blood Donation: A Lifesaving Gift." The lecture highlighted the critical importance of blood donation, the impact it has on patients' lives, and the role of healthcare professionals and the public in promoting and supporting blood donation initiatives.

Key Points Discussed

- The Importance of Blood Donation
- Types of Blood Donation
- The Process of Blood Donation
- Benefits of Blood Donation
- Challenges and Solutions
- Interactive Session and Q&A

Conclusion

This seminar on "The Value of Blood Donation: A Lifesaving Gift," provided valuable insights into the critical importance of blood donation in healthcare. His comprehensive overview of the donation process, benefits, and challenges, along with practical solutions to enhance donor

MEMORANDUM OF UNDERSTANDING

BETWEEN

Innovative College of Pharmacy

Located at Plot No. 6, Knowledge Park II, Greater Noida, Uttar Pradesh 201310, India

AND

Cornerstone Foundation

Plot No. 11, Knowledge Park I, Greater Noida, Uttar Pradesh 201310

1. Purpose

This Memorandum of Understanding (MoU) outlines the terms and understanding between Innovative College of Pharmacy (ICP) and Cornerstone Foundation (CF) for establishing a collaborative relationship aimed at framework for cooperation and joint activities in areas of mutual benefit.

2. Objectives

- **Cornerstone Foundation** and Innovative College of Pharmacy want to work jointly to promote education & awareness. This MOU outlines the broad framework of understanding between the two parties by identifying areas of cooperation. The objective of this collaboration as defined in the MOU is to stimulate quality public health education and training, implement scientific and cultural exchange, and promote inter-institutional cooperation. The two parties will develop and foster education, training, research & professional activities involving projects among students and faculty of the institutions.

3. Responsibilities

1. Provision of Stall Space

- Cornerstone Foundation will be granted stall space at various programs and events organized by Innovative College of Pharmacy. This arrangement will help raise awareness and support for Cornerstone Foundation's initiatives.

2. Health Checkups

- Students from Innovative College of Pharmacy are invited to conduct health checkups for children at Cornerstone Foundation. These checkups will provide valuable health assessments and contribute to the well-being of the children.

3. Joint Workshops and Seminars

- Both organizations will collaborate on conducting workshops and seminars focused on the needs and challenges of children with disabilities. These events will offer valuable learning opportunities for students and faculty of Innovative College of Pharmacy.

4. Resource Sharing and Collaboration

- o Cornerstone Foundation and Innovative College of Pharmacy will explore opportunities to share resources, knowledge, and expertise to enhance the impact of both organizations in supporting children with disabilities.

5. Feedback and Evaluation

- o Both parties will regularly review and evaluate the effectiveness of this collaboration. Feedback from both organizations will be used to improve future activities and engagements.

6. Financial Considerations

- o As a non-governmental organization (NGO), Cornerstone Foundation is unable to pay for stall space, health checkups, or any other costs related to this partnership. Financial constraints limit our ability to cover these expenses.

7. Transportation for Student Visits

- o Cornerstone Foundation will not be able to provide transportation for students from Innovative College of Pharmacy for their visits to our organization.

4. Duration

This MoU will commence on the date of signing and will remain in effect for a period of one years, unless terminated earlier by either party with a written notice of 30 days.

5. Confidentiality

Both parties agree to maintain the confidentiality of any sensitive information shared during the course of this collaboration. Confidential information will not be disclosed to any third party without prior written consent.

6. Dispute Resolution

Any disputes arising out of or related to this MoU will be resolved through amicable discussions.

7. Amendments

Any amendments or modifications to this MoU must be made in writing and signed by authorized representatives of both parties.

This MoU serves as the foundation for a long-term partnership aimed at positively impacting the lives of children with disabilities. Both parties agree to uphold the spirit of cooperation and mutual respect throughout the duration of this partnership.

Report on Annapoorna Yojana Event

Organized by Innovative college of pharmacy

Date: 24th April 2024

Introduction: The Annapoorna Yojana event organized by the Innovative college of pharmacy aimed to address the prevalent issue of food insecurity and malnutrition in our society. It was held on the 24th April 2024, with the noble intention of providing nutritious meals to the underprivileged sections of the community.

Objective: The main aim of the Annapoorna Yojana initiative was to mitigate hunger and malnourishment among the underprivileged segments of the population. The event's goal was to guarantee that no one in the neighbourhood goes to bed hungry by offering free, nutritious meals.

Activities: The Innovative college of pharmacy instructors and students greeted everyone in attendance with warmth during the event's inaugural ceremony. A succinct overview of the Annapoorna Yojana initiative and its importance in tackling food insecurity came next. A committed group of volunteers, including staff and students, put in a great deal of effort to prepare and serve wholesome meals to the guests. The menu featured a wide range of foods that were thoughtfully chosen to accommodate the nutritional needs of people with different backgrounds.

The event also included educational seminars on the significance of eating a balanced diet and practicing good eating habits. Prominent nutritionists and specialists were invited to impart their wisdom to the audience, highlighting the importance of a balanced diet for general health and wellbeing.

Impact: The community was greatly impacted by the Annapoorna Yojana event, as hundreds of people, including elderly people, children, and those from low-income families, benefited

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

the wholesome meals that were served. The occasion was a timely reminder of the value of empathy and teamwork in tackling societal problems like starvation and malnourishment.

Additionally, the educational seminars held during the event assisted in increasing guests' understanding of the need of adopting good eating practices and being nutritionally literate. They were then able to make knowledgeable decisions about their nutrition and way of life as a result.

Conclusion: In conclusion, Thanks to the combined efforts of all those engaged, the Innovative College of Pharmacy's Annapoorna Yojana event was a huge success. The program demonstrated the institute's dedication to social welfare and community service by providing assistance to the less fortunate members of society and stressing the value of nutrition. It is anticipated that projects like this will keep inspiring good change and cultivate a generous and empathetic culture in our society.

Innovative College of Pharmacy
Plot No. 6, Knowledge Park II,
Greater Noida (UP-201310)

And

Integrated Institute of Medical and Health Sciences(IIMHS)
Block – A, Gulab Bagh, Near Nawada Metro Station
Pillar No. 733, Uttam Nagar
New Delhi – 110059

Purpose

The purpose of this Memorandum of Understanding (MOU) is to establish a collaborative framework for cooperation between ICP and IIMHS in the field of pharmacy education, research, and community service. This MOU outlines the terms and conditions under which both institutions will collaborate to advance mutual goals and enhance the quality of pharmacy education and practice.

Scope of Cooperation**1. Academic Collaboration:**

- o Joint development of academic programs and curricula.
- o Exchange of faculty members for teaching and research purposes.
- o Organization of joint workshops, seminars, and conferences.

2. Research Collaboration:

- o Joint research projects and publications in the field of pharmacy.
- o Exchange of research materials and resources.
- o Collaboration on grant applications and funding opportunities.

3. Student Exchange and Internships:

- o Facilitation of student exchange programs between ICP and IIMHS.
- o Opportunities for internships and practical training in each institution.
- o Joint development of student mentorship and career guidance programs.

4. Community Engagement:

- Collaborative community outreach and health awareness programs.
- Joint organization of health camps and pharmaceutical care initiatives.

Roles and Responsibilities

1. Innovative College of Pharmacy (ICP):

- Provide support for faculty and student exchanges.
- Facilitate access to research facilities and resources.
- Organize and host collaborative academic and research events.

2. Integrated Institute of Medical and Health Sciences (IIMHS):

- Support ICP's initiatives in the region of Pharmaceutical Industrial Visit.
- Facilitate collaboration in community service and outreach programs.
- Provide access to local research opportunities and resources.

Duration and Review

This MOU will be effective from the date of signing and will remain in force for a period three years, unless terminated earlier by mutual written agreement. The MOU will be reviewed annually to assess the progress and effectiveness of the collaboration.

Amendments and Termination

Any amendments to this MOU must be made in writing and signed by authorized representatives of both ICP and IIMHS. Either party may terminate this MOU with 30 days written notice to the other party.

Confidentiality

Both parties agree to maintain the confidentiality of any proprietary or confidential information exchanged during the collaboration.

REPORT

Awareness on Digital India

Date: 7th March 2024

Venue: Innovative college of pharmacy

On 7th March 2024, Innovative college of pharmacy successfully organized an **Awareness on Digital India**, in line with the objectives outlined in the prior notice. The event aimed to promote awareness and understanding of the Digital India initiative among students, faculty, and the wider community.

At 9:00 am, the awareness program started in college campus and all the Students, teachers, and staff joyfully gathered, dressed in apparel that embodied the idea of digital empowerment. The rally route was carefully designed to provide maximum outreach and visibility by passing through important localities.

Participants carried banners, placards, and posters during the march, promoting e-governance, digital literacy, and the revolutionary potential of technology. Chants and slogans reverberated across the streets, drawing onlookers' and passersby's attention as they successfully spread the message of Digital India.

Participants from a wide range of age groups and backgrounds actively participated in the event, demonstrating the broad applicability and significance of the Digital India program. Participants shared their experiences and thoughts about digital empowerment and its effects on society during thoughtful conversations and exchanges.

The rally was marked by a strong sense of solidarity and passion, which served to strengthen the group's resolve to embrace and utilise modern technology for inclusive growth and development. At the end of the event, everyone gathered for a little moment of contemplation and gratitude for the rally's successful execution.

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

In conclusion, the Innovative college of pharmacy's Awareness on Digital India was a demonstration of the organization's commitment to advancing society and bringing about digital transformation. The occasion prompted people to actively contribute to the realisation of the goal of an India empowered by technology in addition to increasing awareness. We would like to express our gratitude to each and every participant, organiser, and stakeholder for their unwavering support and involvement in helping to make the event a huge success.

Event Report: Plantation Day

Date: May 20, 2024

Introduction:

On May 20, 2024, Innovative college of pharmacy organized a Plantation Day with the aim of promoting environmental sustainability and creating a greener campus. The event was a collaborative effort involving students, faculty, and staff members.

Event Details:

The Plantation Day commenced at 10 am. at the designated venue on campus. Participants gathered with enthusiasm, ready to contribute to the cause of environmental conservation. The event began with a brief introduction by our head of department Dr. Amarjeet singh, highlighting the importance of tree plantation in mitigating climate change and preserving biodiversity.

Plantation Activity:

Saplings of native tree species that suited the environment in the area were given to the participants. Everyone happily planted seedlings in designated spots throughout the campus, guided by knowledgeable volunteers. People were cooperating to improve the environment, and there was a strong sense of purpose and camaraderie in the air.

Awareness Session:

An awareness workshop was held to inform participants about the importance of trees in preserving ecological balance and enhancing air quality after the plantation process. The function of trees in water conservation, wildlife habitat provision, and carbon sequestration were among the important subjects covered.

Conclusion:

Thanks to the enthusiastic involvement and support of students, professors, and staff, Innovative College of Pharmacy's Plantation Day on May 20, 2024, was a huge success. By this program, we have increased the amount of green space on our campus and given the participants a sense of environmental responsibility. We're determined to hold more occasions like this in the future to

VISIT TO AANGAN ELDERLY HOME

The Social Service Committee of Innovative college of pharmacy is organizing a visit to **Aangan elderly home on 15 April 2024 from 10:00 AM to 1:00 PM.**

About the visit: The purpose of this tour is to provide the students a chance to talk with the elderly inhabitants of the old age home and gain an understanding of the difficulties that they experience. It's a great opportunity to share happiness and listen with empathy as they share their experiences.

By April 15 2024, interested students are asked to register their names with the committee members. Together, let's make this an occasion our seniors will never forget and gain insight from their tenacity and knowledge.

Visit Report: Old Age Home – Aangan elderly home

Date: 15th April, 2024, **Time:** 10:00 AM - 1:00 PM

Overview:

The Social Service Committee of the Innovative college of pharmacy organized a visit to the Old Age Home - **Aangan elderly home** on 15th April, 2024. The purpose of the visit was to provide students with an opportunity to interact with the residents of the old age home and gain insight into the challenges faced by the elderly population.

Activities:

The nursing care center's staff and residents welcomed the students with open arms when they arrived. The students were given an overview of the daily schedule, amenities, and difficulties faced by the senior citizens during the first part of the visit.

Students actively engaged in various activities planned for the visit, including:

1. Interactive Sessions:

Students have the chance to converse meaningfully with the senior citizens and hear about their life experiences. This gave locals and students a forum to express their ideas and viewpoints.

2. Entertainment:

Students planned games, dance, and music performances as a way to convey joy and happiness. The inmates' spirits were elevated by the lively atmosphere, which also promoted a sense of community.

3. Compassionate Interaction:

Students showed compassion and understanding for the older elders during the visit. They showed genuine concern and care, and they listened and offered company.

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

Reflections:

The kids learnt a great deal from their tour to the Old Age Home - Nursing Care Centre. It made it possible for them to comprehend the difficulties that the senior population faces on a deeper level and to recognise the value of compassion and social responsibility. The students were inspired and motivated to make a positive impact on the lives of others by the senior residents' perseverance and knowledge.

Conclusion:

The students' enthusiastic engagement and active participation made the tour a huge success. It was a timely reminder of the value of developing deep relationships with senior citizens and advocating for an environment that values and respects their needs. We would like to express our gratitude to the employees and residents of the Old Age Home - Aangan elderly home for making us feel so welcome and for adding so much warmth and hospitality to our visit.

Event Report: Save Soil Campaign

The Save Soil Campaign organized by the Innovative college of pharmacy on May 6, 2024, was a resounding success, bringing together students, faculty, and environmental enthusiasts to raise awareness about the importance of soil conservation and sustainable practices.

We are honored to have Mr. Gopal Aggarwal, an esteemed environmentalist and advocate for sustainable development, as our distinguished guest for the event. Mr. Aggarwal's insights and expertise in the field will undoubtedly enrich our understanding of the critical role soil plays in ensuring a healthy environment for present and future generations.

The Save Soil Campaign included thought-provoking presentations, lively debates, and interesting talks on a range of topics related to soil conservation, such as the difficulties encountered, creative solutions, and the function of legal frameworks in supporting sustainable soil management techniques.

The first address of the event focused on the importance of maintaining soil health in order to ensure food security, conserve biodiversity, and lessen the effects of climate change. Mr. Gopal Aggarwal, the keynote speaker, gave a motivational speech about the pressing need for group action to combat soil degradation and stressed the function of legal frameworks in advancing sustainable soil management techniques.

Engaging lectures and panel discussions on a range of topics related to soil conservation, such as soil erosion, contamination, desertification, and the use of agro-ecological techniques, were part of the Save Soil Campaign. By actively sharing their opinions and thoughts, participants helped to create a meaningful conversation about possible approaches and solutions to problems relating to soil.

Attendees gained useful knowledge on soil testing procedures, organic farming practices, and community-led soil restoration projects from interactive sessions and workshops. Through networking with scholars, environmental specialists, and representatives of non-governmental organisations, participants were able to exchange expertise and explore prospects for

INNOVATIVE COLLEGE OF PHARMACY

Affiliated To Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P. & Approved By PCI

collaboration.

At a pledge ceremony that marked the end of the event, participants promised to take specific steps to preserve and safeguard soil resources in their own areas of influence. Participants expressed gratitude for the thought-provoking talks and the chance to have in-depth conversations on important environmental issues.

The Save Soil Campaign served as a catalyst for raising awareness and mobilizing collective action towards ensuring the long-term sustainability of our planet's most valuable resource - soil.

The Innovative college of pharmacy remains committed to promoting environmental stewardship and fostering a culture of sustainability within the academic community and beyond.

We extend our sincere gratitude to Mr. Gopal Aggarwal, our esteemed guest speaker, all participants, volunteers, and partners for their invaluable contributions to the success of the event.

Report on World Environment Day

Introduction

On 05 June 2024 Innovative College of Pharmacy organized World Environment Day which is the United Nations' principal vehicle for encouraging worldwide awareness and action for the protection of the environment. Since its inception in 1974, the day has grown to become a global platform for public outreach, with participation from over 150 countries.

Significance

Environmental Awareness: The day aims to raise awareness about pressing environmental issues such as pollution, global warming, sustainable consumption, and wildlife conservation.

Policy Influence: World Environment Day has become a platform for encouraging global governments, organizations, and individuals to take actions that help protect the environment.

Public Engagement: It serves as a day to engage the public in environmental advocacy, promoting sustainable living and highlighting the importance of individual actions in preserving the planet.

Celebrations

Global Events: World Environment Day is marked by activities around the world, including clean-up campaigns, tree planting, environmental workshops, and educational activities.

Government and NGO Initiatives: Various governments and non-governmental organizations (NGOs) organize events and launch initiatives to address specific environmental issues.

Media Campaigns: Extensive media campaigns are run to spread awareness about the theme of the year and the actions individuals and communities can take to contribute to environmental protection.

Corporate Participation: Many businesses also participate by organizing environmentally friendly activities, launching green initiatives, and encouraging sustainable practices within their operations.

Impact:

Increased Awareness: The day has significantly increased global awareness about environmental issues, leading to a more informed and engaged public.

Policy Changes: It has influenced policy changes and the implementation of environmental regulations and conservation efforts worldwide.

Grassroots Movements: World Environment Day has spurred grassroots movements and local initiatives that contribute to environmental protection and sustainability.

Corporate Responsibility: The day has also encouraged greater corporate responsibility and the adoption of sustainable business practices.

Conclusion:

World Environment Day serves as a crucial reminder of the need to protect and preserve our environment. It highlights the interconnectedness of human actions and the natural world, promoting collective responsibility and action towards a sustainable future. Through global participation and advocacy, World Environment Day continues to inspire change and foster a deeper commitment to environmental stewardship.

Ref. No. ICP/2022-23/MOM-AH-001

Dated 07-Aug-2023

MEMORANDUM OF UNDERSTANDING

Between

Innovative College of Pharmacy, Plot No. 6, Knowledge Park II, Greater Noida, Uttar Pradesh, affiliated by Dr. A.P.J. Abdul Kalam Technical University, Lucknow, Uttar Pradesh and Board of Technical Education, Uttar Pradesh and also approved by Pharmacy Council of India, New Delhi

And

AH Machines India Pvt. Ltd., H-36, UPSIDC Phase-I, M.G. Road Dhaulana, Hapur Uttar Pradesh, India, Pin- 245301.

Date: 07-Aug-2023

1. Purpose

The purpose of this Memorandum of Understanding (MOU) is to establish a collaborative relationship between Innovative College of Pharmacy (hereafter referred to as "the College") and AH Machines India Pvt. Ltd. (hereafter referred to as "the Company") to foster mutual cooperation in the areas of academic development, research, training, and industry-academic linkage.

2. Background

Innovative College of Pharmacy is committed to providing high-quality education and research in the field of pharmacy. AH Machines India Pvt. Ltd. is a leading provider of pharmaceutical machinery and equipment, dedicated to advancing technology in the pharmaceutical industry. This MOU is intended to formalize the partnership between the two entities to leverage their respective strengths.

3. Areas of Collaboration

The parties agree to collaborate in the following areas:

a. Academic and Research Initiatives

- Joint research projects and publications.
- Development of new technologies and solutions in pharmaceutical machinery.
- Sharing of knowledge and expertise through seminars and workshops.

b. Training and Internships

- Provision of industry internships and training programs for students of the College.
- Guest lectures and workshops by experts from the Company.

c. Curriculum Development

- i. Collaboration in developing relevant curriculum and course material.
- ii. Input from the Company on industry trends and requirements.

d. Equipment and Resources

- i. Donation or loan of machinery and equipment for educational purposes.
- ii. Access to Company's resources for research and development activities.

4. Responsibilities of the Parties

a. Innovative College of Pharmacy

- i. Provide academic and administrative support for collaborative activities.
- ii. Facilitate the integration of industry input into the curriculum.
- iii. Organize and manage training programs and internships.

b. AH Machines India Pvt. Ltd.

- i. Offer expertise and guidance in the field of pharmaceutical machinery.
- ii. Provide resources, equipment, and training opportunities.
- iii. Participate in research and academic activities as agreed.

5. Duration

This MOU shall be effective from the date of signing and will remain in force for a period of 5 years, unless terminated earlier by either party with a written notice of 30 days.

6. Confidentiality

Both parties agree to maintain the confidentiality of any proprietary or sensitive information exchanged during the course of this collaboration.

7. Dispute Resolution

Any disputes arising out of or related to this MOU will be resolved through amicable discussions.

8. Amendment

This MOU may be amended or modified by mutual written consent of both parties.

9. Signatures

By signing below, the parties agree to the terms outlined in this Memorandum of Understanding.

Report on Seminar

Topic: "Measuring Impact: Metrics for Sustainable Business Practices"

Date: 12-02-2024

Venue: Seminar Hall

Speaker: Mr. Akash johri

Introduction: Sustainable business practices aim to meet the needs of the present without compromising the ability of future generations to meet their own needs. Measuring the impact of these practices is crucial for understanding their effectiveness and for continuous improvement. This seminar explores the metrics used to evaluate the sustainability of business operations.

Seminar Highlights:

- Importance of Measuring Impact.
- Key Metrics for Sustainable Business Practices.
- Challenges in Measuring Sustainability Impact
- Best Practices for Effective Measurement
- Tools and Frameworks for Measuring Impact
- Case Studies

Conclusion

Measuring the impact of sustainable business practices is essential for demonstrating accountability, driving improvement, and achieving long-term success. By selecting the right metrics, using reliable tools, and engaging stakeholders, businesses can effectively measure and report their sustainability performance. Continuous monitoring and adaptation are key to maintaining and enhancing the positive impact of sustainable practices.

ABOUT Memorandum of Understanding (MoU)

This MoU is for Academic, Cultural, Sports, Extra Curricular Exchange Program, Skill Development, Out Come Based Training, Placement & related services. Both parties agree to join hands and carry out collaborative research work by faculty and students. Both will enter into joint research and development activities by initiating writing of Detailed Project Report (DPR) and submission of the project related to pharmacy department.

OBJECTIVE OF CO-OPERATION

The objective of this Memorandum of Understanding (MoU) is to cooperate in educational projects in areas of mutual interest. The purpose of the MoU is to develop co-operation and promote mutual understanding and excellence in practice-based education, research and knowledge exchange between the parties, so that the research and knowledge developed is used for further research and its application at regional, national and global level.

SCOPE OF CO-OPERATION

The Parties agree to implement cooperation programs including but not limited to:

- 1. Exchange on best practices.
- 2. Faculty and student exchanges.
- 3. Curriculum Development.
- 4. Skills based certification courses that are left to the choice of the two parties.
- 5. Other areas as mutually agreed upon by the Parties.

Based on the principles of equality, reciprocity, and mutual benefit, **Innovative College of Pharmacy** situated at Plot No. 6, Knowledge Park II, Greater Noida and its **Delhi College of Pharmacy-DIRD** situated at Holambi Khurd, Delhi-110082 hereby agree to explore the following avenues of educational exchange:

- 1. Student exchange program.
- 2. Curriculum development and offering specially designed programs of study.
- 3. Collaborative Research projects.
- 4. Promoting and encouraging joint research projects and other scholarly co-operation, particularly on Sustainable Development, Medicinal Plants, Environment and other areas as decided from time to time.
- 5. Development of research/academic activities in key areas.
- 6. Initiating activities to run innovative interdisciplinary courses.
- 7. Events collaboration to accelerate entrepreneurship and innovation.
- 8. Joint Incubation Program.
- 9. Conducting workshop and training to students and faculty.
- 10. Academic leadership & Innovation.
- 11. Pursuing other mutually advantageous undertaking.

Topic: "Balancing Time and Resources: Practical Challenges in Research"

Date: 16-09-2023

Venue: Seminar Hall

Speaker: Mr. Qumre Alam,

Introduction: The seminar on "Balancing Time and Resources: Practical Challenges in Research" was held on 16 september 2023, aiming to address the critical issues faced by researchers in managing their time and resources effectively. The seminar attracted a diverse group of participants, including students, academic professionals, and industry researchers.

Target Audience: Researchers, academicians, graduate students, and research administrators

Seminar Highlights:

- Identifying Challenges
- Strategies for Effective Time Management
- Resource Allocation
- Technology in Research
- Collaboration and Networking

Conclusion

The seminar received positive feedback from attendees, who appreciated the practical nature of the sessions and the opportunity to network with peers. The speakers were praised for their expertise and the interactive format of the seminar. Future seminars were suggested to focus on specific fields of research to address more tailored challenges.

Report on Seminar

Topic: "Longitudinal Research: Studying Change over Time"

Date: 29.05.2023

Venue: Seminar Hall

Speaker: Mr. Somnath Kharwar

Introduction:

Expert in longitudinal research methodology, Mr. Somnath Kharwar,, gave a session on 29 March 2023 titled "Longitudinal Research: Studying Change Over Time". Peoples from different fields, including researchers, professors, and students, attended the seminar.

Key Points Discussed

1. Introduce the concept of longitudinal research.
2. Discuss the significance of studying changes over time.
3. Highlight the methodologies and designs used in longitudinal studies.
4. Present case studies and practical applications of longitudinal research.

Conclusion

The seminar on "Longitudinal Research: Studying Change over Time" provided valuable insights into the methodologies, applications, and challenges of conducting longitudinal studies. The discussion underscored the importance of this research approach in understanding developmental trends, identifying causal relationships, and informing policy decisions.
